## **About the Washington Council and the Fall Counselor Workshop Higher Education Book**

The Washington Council for High School-College Relations is a not-for-profit organization that provides information and programs to encourage and assist Washington students in their transition from high schools to colleges, and from two-year colleges to four-year colleges. To this end, the Washington Council produces this book and sponsors the following Programs:

### **Washington Council Programs for Students**

- Eighth Grade College Exploration Day
- High School College Planning Days
- Fall Transfer Fairs/Events

### **Washington Council Workshops and Resources for Advisers**

- Fall High School Counselor Workshops
- Transfer Adviser Workshops
- Washington Council Web Resources, Calendar, and Listserv ([www.wa-council.org](http://www.wa-council.org))

The Washington Council member organizations include Washington high schools, Washington colleges and universities, and higher education agencies. Washington Council publications and programs are run and governed by a Board of Directors that is representative of its membership.

### **The 2024-25 Fall Counselor Workshop Higher Education Book: A Resource for High School Counselors is a collection of postsecondary opportunities in the State of Washington.**

The Washington Council Board has been responsible for collecting the entries and overseeing preparation of the book. The participating institutions are responsible for information on their institutions. Readers are cautioned that they must consult the admissions offices at individual colleges to be sure of having the most current information.

All institutions listed in the Fall Counselor Workshop Higher Education Book subscribe to the principles and laws of the State of Washington and the federal government, including applicable executive orders pertaining to civil rights. These institutions are committed to the policy that all persons shall have equal access to programs and facilities without regard to age, color, creed, marital status, nation or ethnic origin, physical handicap, race, religion or sex. All statements and content included in the Fall Counselor Workshop Higher Education Book are made by the individual colleges and universities and organizations that are represented in this book. The information contained in the Fall Counselor Workshop Higher Education Book is subject to change, and the editors and individual institutions will not be responsible for change or error.

# Council of Presidents

## REPRESENTING WASHINGTON'S PUBLIC BACCALAUREATE INSTITUTIONS

### Who We Are and How We Assist High School Counselors

The Council of Presidents (COP) coordinates various initiatives and activities among the state's public baccalaureate institutions. We foster collaboration among our member institutions, as well as with state, regional, and national partners.

COP is a central source for information, facts and engagement with Washington's public, four-year institutions for high school counselors. We provide a collective viewpoint on policies, practices, and processes related to the transition from high school to college. Additionally, we facilitate conversations within our sector and between other sectors and entities on current and emerging education-related topics.

### Washington's Public Baccalaureate Institutions

Central Washington University

Eastern Washington University

The Evergreen State College

UNIVERSITY of WASHINGTON

University of Washington Bothell  
University of Washington in Seattle  
University of Washington Tacoma

Washington State University Pullman  
Washington State University Tri-Cities  
Washington State University Vancouver

Western Washington University

### A Public Four-Year College or University Near You

- Located in all 39 counties
- Two research universities
- Three comprehensive universities
- Washington's public liberal arts college
- Four campuses in Bothell, Tacoma, and Vancouver
- Multi-institutional partnerships in Spokane and Everett
- Statewide online learning offerings
- University centers and academic partnerships co-located with Washington's community and technical colleges

### We Welcome Washington High School Students

- We are excited to welcome Washington high school students at any one of our public four-year universities or college!
- Your students are our students. We serve students in our local communities and across the state.
- We believe college is for everyone who wants to attend, and we are here to help make this a reality. We are committed to serving all students with a focus on identifying and reducing gaps among student populations.

Whether a student wants to earn a bachelor's degree, is thinking of doing so, or has not yet considered it, there is a place at one of the state's public baccalaureate institutions for students in Washington to earn a bachelor's degree, achieve their dreams, attain further career credentials, and follow their passion.

## Undergraduate Student Profile in the Washington Public Four-Year Sector

- 101,719 undergraduates enrolled
- **51%** identify as students of color
- Nearly **40%** receive a Washington College Grant or Pell Grant, ranking **2<sup>nd</sup> in the nation** for Pell Grant recipients enrolled.
- 51% of all College Bound Scholarship students attend a Washington public, four-year institution.
- **81%** Washington residents from all 39 Washington counties
- Average time to degree completion is **3.91 years**, and we're the **largest producer of bachelor's degrees** in Washington.
- We rank **2<sup>nd</sup>** highest in the Western State Region for graduation rates and **above the national average**.

Washington's public baccalaureate institutions are **servicing to completion** more students who identify as members of underrepresented student populations including students of color, low-income students and students experiencing basic needs insecurity.

**Our students are your students.** We know students attending a Washington public, four-year institution experience similar rates of basic needs and food insecurity as students in the two-year sector. We are committed to providing the necessary wraparound programs and services to support the whole student until degree completion.

Below are the **services and programs** available to support our students as they work towards completing their degrees:

- Dedicated advising
- Food Pantries
- Student Wellness
- Childcare
- Accessibility
- Academic Learning Supports
- Ethnic and Student Inclusion Centers
- Offices of Equity and Student Inclusion
- First-year, first-time student interest groups and programming

## Diversity, Equity and Inclusion

The Council of Presidents stands in solidarity with all those across our nation who experience discrimination, bigotry, prejudice, violence, and hate due to their race, ethnicity, national origin, sexual orientation, gender identity or expression, disability, age, religion, and socioeconomic status.

We remain actively committed to continuing and advancing efforts to promote greater diversity, equity, and inclusion on our campuses that align with their missions to serve Washington residents and the local communities in which they reside.

Our work is grounded in the belief that faculty, staff, and students benefit from a vibrant, rich learning community composed of a broad cross-section of individuals with different perspectives. Success in an interdependent, globally connected world depends critically and urgently on our ability to foster equity of access and outcome related to our 21st century ideals of opportunity and discovery.

## Multiple Paths to Admissions

There are multiple paths to gaining admission to a public university in Washington. These paths are considered equal, with no preference given by the universities to one over another. If your student has concerns about meeting the eligibility requirements for either path, encourage them to reach out to their universities of interest to learn about alternative admissions options. Admissions resources for counselors are available here: <https://councilofpresidents.org/admissions/>.

General Admissions	Washington Guaranteed Admissions Program (WAGAP)
Meet Washington minimum admission standards: a 2.0 cumulative, unweighted high school GPA and <a href="#">complete required high school classes</a> . <sup>1</sup>	Cumulative, unweighted high school GPA of 3.0 or higher on a 4.0 scale.
Complete application and send transcripts.	Complete a series of <a href="#">required high school classes</a> .
Admissions Offices review high school and college grades, coursework, senior year courses, personal achievements and characteristics.	Meet above criteria guaranteed admissions to WAGAP participating institutions: Central Washington University, Eastern Washington University, The Evergreen State College, University of Washington Tacoma, Washington State University and Western Washington University.
All Washington public baccalaureate institutions.	Complete application and final transcripts.

## Applying to College

All Washington public baccalaureate institutions have joined the **Common App**. Students and families through the Common App have the option to complete a single admissions application for our state’s public, four-year institutions.

### SAT and ACT and Admissions

Students will not be penalized during the admissions process or student eligibility for institutionally supported scholarships, course placement or admissions to Honors programs.

**Test Not Considered (EWU, WSU):** Institutions do not consider test scores, nor are test scores considered at any point in the admissions review process, even if a student chooses to submit a test score. No additional, alternative measure of college readiness is required in place of a test score.

**Test Not Required (UW Bothell, UW Seattle, UW Tacoma):** Institutions do not consider test scores in the admissions review process, even if a student chooses to submit a test score (see test not considered above). However, test scores may be considered for placement, entry into Honors program, and/or scholarship awards.

**Test Optional (CWU, Evergreen, WWU):** Students may choose to submit test scores to strengthen an application. Not submitting test scores will not disadvantage a student. In place of a test score, students who apply may be required to submit additional and alternative measures of college readiness such as successful completion of dual credit coursework, exams, or scores on high school college readiness assessments.

## Dual Credit

Washington’s public four-year universities and college have a long history of supporting dual credit statewide. The state’s public four-year institutions collaborate across sectors to develop policies and practices for quality, student-focused dual credit programs policies and practices to ensure students are successful in attaining their education and career goals. Washington’s public, four-year institutions support Advanced Placement, Cambridge International, College in the High School, International Baccalaureate and Running Start without preference. Dual credit **resources for counselors** are available at <https://councilofpresidents.org/dual-credit/>.

<sup>1</sup> Admission standards are a minimum. Some universities and degree programs may require higher standards. Students who do not meet the minimum should consider [alternative admissions](#).

## Holistic Admissions

- Each Washington public baccalaureate institution considers **the whole student** in the admissions review process.
- Holistic admissions consider grades, courses – both the type and the level at which taken along with other information to make an admissions decision. This may include leadership in activities outside of the school environment or other examples a student may provide.
- Every application goes through a holistic assessment process, even if the student applying has not met the state's admissions standards policy.

## Return on Investment

**Value Added** - In Washington and nationally, completing a bachelor's degree continues to be associated with increased lifetime earnings, lower unemployment rates, reduced poverty rates, improved health outcomes, longer life expectancy, and higher rates of civic and social engagement.

**Dynamic Education for Current and Future Careers** - The demand for workers with postsecondary credentials is higher than it has ever been. We continue to actively engage in the development and review of education pathways and credentials that lead to degrees and outcomes to respond effectively to the changing demands of the current and future workplace.

- Washington employers **want to hire local talent** to fill these positions whenever possible.
- Fewer than **30% of job openings** that pay a family-sustaining wage over the next 10-14 years will require only a high school diploma.
- While many companies are considering or have started to drop bachelor's degree requirements for jobs, those cases **make up 15 percent or less** of the available jobs and still require individuals to have significant work experience and skills.
- Earning a bachelor's degree is the **only and best predictor within a student's control** for earning a good wage in Washington.
- Participation in college can **make up disadvantages** such as poverty, racism and other structural barriers based on the social capital provided, access to high-quality learning experiences and access to high-impact programs (e.g., internships, study abroad, research).

## You are College Material!

If you want to go to college, are thinking of college or have not considered college, there is a place for you in Washington to go to college and achieve your dreams, attain career credentials, and follow your passion.

### Recommendations for a successful transition to college:

- Communication with high school counselors and college admissions advisors early and often.
- Apply early!
- Institutions are here to guide students on the next steps.
- Ask about special programs and student support programs and services while in high school.
- Institutions are committed to reaching out and welcoming students.
- Ask questions and seek clarity.
- **Remember: Yes, You Can!**

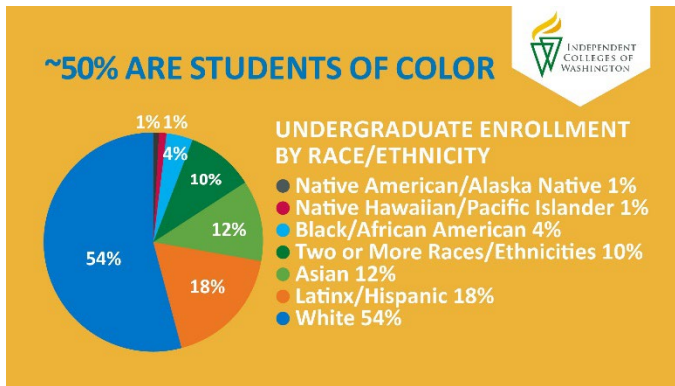

*Independent Colleges of Washington campuses are **servicing Washington** by offering unique higher educational environments and holistic support for state residents on their journeys to **completing degrees**. Together, we are **cultivating talent, championing diversity**, and making it possible for more Washington residents to find the college or university that best meets their individual needs here in their home state. With a commitment to educating the whole person, we are **delivering value** for our alumni and for our communities.*

## About Our Campuses

- Independent Colleges of Washington campuses collectively educate more than 30,000 students.
- We enroll students from all 39 Washington counties, all 49 sister states along with the District of Columbia, Puerto Rico, and Guam, and more than 80 countries.
- Our graduates make up approximately 20% of new bachelor's and graduate degree earners in Washington each year. In some fields, we are powerhouse producers, conferring 40% of graduate degrees in education, for example, and 55% of nursing graduate degrees in Washington.
- If taken together, ICW campuses would be one of the 20 top private employers in Washington, employing a higher number of employees than Kaiser Permanente in the state; together we employ more people in the state than do Google, Expedia, or Comcast.
- Between 2012 and 2022, institutional aid from ICW member campuses has nearly doubled.
- ICW campuses have some of the highest graduation rates; completion rates at Washington independent colleges are 83% versus the national average of 62%.

## About Our Students

- Close to half of students across the ICW membership identify as Black, Indigenous, or persons of color.
- Approximately 40% of our undergraduates qualify for need-based federal and/or state grant aid and work study, such as the Washington College Grant.
- One in five students are first in their families to earn a college degree.
- Approximately one in three juniors and seniors transfer credits from other institutions.
- More than one in four (28%) of our undergraduate and graduate students are older than 25.
- Approximately 1,000 ICW students are veterans.

## Workforce of the Future

Independent Colleges of Washington students can pursue degrees in more than 800 fields of the study.

## Diversity, Equity and Inclusion (DEI)

- Independent Colleges of Washington's member institutions are committed to creating and maintaining a vibrant and welcoming community for students, staff, and faculty.

- Member campuses are invested in diversity, equity, and inclusion (DEI), and committed to developing more inclusive campus communities.

ICW works to support a thriving community of professionals leading DEI efforts on our campuses, deeply engaged in implementing diversity-aware recruitment, hiring, and retention strategies, ensuring cultural competency and anti-racism training across campus; conducting campus climate survey; building capacity/infrastructure; making curricular changes to ensure accessible and inclusive teaching; integrating cross-functional work happening on campus; and directly supporting students of color.

- Each campus has invested in the creation of [resource centers and institutes to further advance DEI efforts](#). For more information on our DEI efforts, please visit [icwashington.org/dei](http://icwashington.org/dei).

## Resources for Counselors and Advisors

To assist those who are guiding prospective students no matter their age or path, please consider these [Resources for Counselors, Advisors \(icwashington.org\)](#). Whether a student needs [academic](#) or [behavioral health support](#), or [support for nutrition and housing](#), or [wants to get involved in specific communities](#), ICW campuses offer a well-rounded suite of services to help students be successful on their higher education journeys.

### Full Implementation of HB 1599, Graduation Pathways

In 2019, Washington lawmakers passed House Bill (HB) 1599, later codified in RCW 28A.655.250, which called for the creation of a flexible system where each student can collaborate with teachers, parents, and school counselors to show their readiness for future career and college goals through various pathways. Graduation Pathways are intended to help students achieve some of the milestones that can best prepare them for their high school and post-high school aspirations as those goals change and evolve through their educational journey.

The State Board of Education (SBE) works with the legislature to set state graduation requirements. Washington’s high school students must meet credit requirements, develop a High School and Beyond Plan (HSBP), and meet Graduation Pathway requirements. The graduation pathway(s) chosen by students must align with their HSBP. Conversely, the HSBP is designed to provide a guidance framework to support students in mapping their goals, planning, and executing steps to support completion of credits and graduation pathways, and boost them into their post-secondary lives.

#### Graduation Pathways available to the Class of 2024:

There are three (3) umbrellas which Graduation Pathway options can fall under as of June 2024:

Pathway	Notes	Example
ASVAB	AFQT Section Score = 31* <i>*Check State Board of Education website by 9/1 annually for an updated minimum score</i>	A student whose goal is to enlist in the U.S. Coast Guard would take the ASVAB as a route to meet their graduation pathway.
CTE Sequence	Complete 2.0 or more CTE credits in the same CTE program area that include either a dual credit course or lead to an industry-recognized credential, or complete a Core + Program.	A student whose goal is to pursue a career in Health Sciences with a nutrition focus could meet their graduation pathway by taking 2.0 or more credits in Family Health, Nutrition & Wellness, Culinary Arts, and Baking and Pastry Arts.
Math and ELA Combination	<i>Combination of the ELA and math options: Including ACT/SAT, AP/CI/IB exams or courses, Running Start/CiHS/CTE Dual Credit courses, SBA, or Transition courses (e.g. Bridge to College)</i> <ul style="list-style-type: none"> <li>Performance-based (PbP) <i>NEW in 2023</i> <a href="#">2/2024 PbP Webinar</a></li> </ul>	A student whose goal is to gain admission to a 4-year college could meet the ELA requirement with a score of 2590 on the ELA SBA and earn a B in both terms of an AP Statistics Course.

#### Graduation Pathways and HSBP Alignment

In 2023, Senate Bill (SB) 5243 passed, revising HSBP requirements and introducing a required transition to a universal online HSBP platform, as now codified in RCW 28A.230.212 and 28A.230.215. This singular platform will ensure easy use for students, parents, educators, and other supporters, enhance students’ academic and career development opportunities, address existing information access inequities, and offer greater customization of post-secondary planning and preparation for students based on their needs and interests.

HSBPs can serve a critical role in supporting systemic access to academic and graduation pathway planning and to career and college exploration and preparation options. The HSBP is designed to help students answer three key guiding

questions: **Who am I? What can I become? How do I become that?** It offers students the opportunity to explore their interests, skills, values, and goals, aligning them with potential careers and course options to meet graduation requirements and prepare for post-secondary education and training. Starting in 7th grade, students take a career interest and skill inventory to guide their course decisions for 8th grade and beyond, supported by school counselors, advisors, or teachers. Students continue updating their personalized plan annually through 12th grade, focusing on postsecondary goals such as apprenticeships, college, entering the workforce, military service, and/or technical training. Current HSBP implementation varies widely across school districts, resulting in unintended inequities for students and families that access to a universal HSBP platform will help to address.

### K-12 Career Development Alignment to Support Post-Secondary Preparation

The new HSBP platform will provide unprecedented and consistent access to the data that district and building leaders need to build relevant courses and graduation pathways that are supportive of students’ post-secondary goals. As illustrated below, before the passage of HB 1599, a typical advising model would involve creating a high school’s master schedule based on available staffing and qualifications and fitting students into the available schedule. With the systemic shift toward using the student voice data in the HSBP to build more opportunities for students to demonstrate their preparation for their post-high school goal, schools and districts need also to shift their advising strategy.

#### Typical Advising Model Pre-HB 1599

#### Flipping the Script Post-HB 1599 to Implement Graduation Pathways

This ability for districts to shift toward building courses, programs and opportunities aligned with on students’ interests and goals will require intentional K-12 alignment of Career & College Readiness supports. As a result, staff from elementary, middle, and high school will have a shared understanding of how Career & College Readiness programming builds upon previous work to support student growth by expanding on interests, exploring uncovered topics, and leaning into their skill sets. This work will also help students develop a better understanding of which graduation pathway would be most beneficial for their individual journeys and provide a jumpstart after graduation.

#### Graduation Pathways and the Statewide Universal HSBP Platform

The graduation pathways offer more flexibility for students and staff, and the HSBP data provides the information needed to adapt and systemically provide the course and pathway opportunities that students are indicating they want within their HSBPs. New opportunities call for a revision and reimagining of the existing advising models and structures that may no longer be sufficient to meet the new student-focused opportunities created by HB 1599. Looking forward, **the class of 2025 will be the first to not have access to the Graduation Requirement Emergency Waiver (GREW) as an available graduation pathway waiver** since the graduation pathways were first implemented.

It is vital that school systems begin to leverage early HSBP data in long-term planning to ensure student access to the opportunities to pursue courses that will help to best position them to take the next steps to reach their post-secondary goals. This is not a responsibility that lives solely with one department or staff member. It is a community effort where everyone in a school is on hand to build a culture that encourages continuous student post-secondary exploration with a

system poised to provide the structure to support their success. If you are seeking support to build programs that meet both student and community needs, reach out to your local [Career Connect Washington Regional Networks & CCL Coordinators](#) for thought partnership. Additional information about Career Connect Washington can be found [here](#).

## Recent Legislation that Supports Postsecondary Preparation

**HB 1146 (2024)** – Notifying high school students and their families about available dual credit programs and any available financial assistance.

- Requires public schools serving students in grades 9-12 to provide all students or legal guardians with:
  - Information about each available dual credit program
  - Any financial assistance available to reduce dual credit course and exam costs for students and their families

The new language added to RCW 28A.600 by HB 1146 is all about making dual credit programs more accessible for all students in Washington. Dual credit programs let students earn both high school and college credits at the same time. This is a powerful way to boost student success, as taking dual credit courses is linked to higher high school graduation rates, increased college enrollment, and higher rates of degree completion.

There are different types of dual credit options available. Exam-based options include Advanced Placement (AP), Cambridge International (CI), and International Baccalaureate (IB) programs. Course-based dual credit options include Career and Technical Education (CTE) Dual Credit, College in the High School (CiHS), and Running Start programs. HB 1146 requires public high schools to inform all students in grades 9 through 12 and their parents or guardians about these dual credit programs. This helps families understand how students can save money and time by earning college credits while still in high school.

HB 1146 also requires schools to provide information about any financial assistance available to help reduce the costs of these courses and exams. This information should be communicated through email and other methods and be translated into the primary language of each parent or guardian whenever possible. Additionally, schools are encouraged to include more details about advanced courses, ensuring families have all the information they need to support their students' education. By doing this, HB 1146 aims to create a more equitable path to higher education for all students. By ensuring that all students and their families are informed about these opportunities and the financial assistance available, the law aims to provide more equitable access to higher education.

**SB 5670 (2024)** – Providing summer running start for rising juniors.

- Codifies OSPI's existing rules allowing eligible students to take Running Start courses during the summer between their 10th and 11th grade years.
- Rising juniors may enroll in up to 10 quarter credits or the semester equivalent
- NOTE: Where available, encourage rising juniors to take a "College and Career Success" type class that can help them know what to expect in a college course

E2SSB 5670 supports equitable access to college courses by codifying rising juniors' access to college courses through the Running Start program by allowing them to enroll in up to ten quarter credits (or the semester equivalent) during the summer academic term. Rising juniors are students who have completed their 10th grade year but have not yet started their 11th grade year. The program provides these students with the chance to earn both high school and college credits without paying tuition, although they are responsible for college fees, textbooks, materials, and transportation.

Additionally, school districts are required to provide information about the Running Start program, including the summer enrollment opportunities, to all 10th, 11th, and 12th grade students and their parents or guardians. This ensures that students and families are aware of the opportunities available to them, promoting equitable access to higher education courses.

**HB 2110 (2024)** – Reorganizing statutory requirements governing graduation

- No changes to graduation requirements
- Provides additional clarity around WA’s high school graduation requirements by reorganizing and simplifying previous RCWs.

**HB 2441 (2024)** – Establishing a pilot program eliminating college in the high school fees for Heritage University

**HB 2236 (2024)** – Expanding and strengthening career and technical education core plus programs.

- Expands the Core Plus model into the allied health fields

## **About the Washington Student Achievement Council**

The Washington Student Achievement Council (WSAC) is a ten-member council supported by a cabinet-level state agency. The Council's mission is to advance educational opportunities and attainment in Washington. In pursuit of that mission, the Council:

- Leads statewide strategic planning to improve educational coordination and transitions.
- Supports Washingtonians through the administration of financial aid, two college savings plans, and support services.
- Advocates for the economic, social, and civic benefits of postsecondary education.

Our commitment to equity: In support of advancing educational attainment for all Washingtonians, we commit to fostering a culture of equity, diversity, and inclusion among our staff and in all areas of our work.

## **What's New in 2024-25**

### **Bridge Grant**

For the academic year 2024-25, students who are receiving the maximum Washington College Grant may be eligible to receive an additional \$500 Bridge Grant. The Bridge Grant is to assist with costs associated with higher education. The Bridge Grant is not available to students who are eligible for the College Bound Scholarship, and the award is limited to the student's need.

### **Timeframe**

Beginning in the 2024-25 academic year, students can now receive College Bound funding for up to six years of enrollment or the equivalent (18 full-time quarters/12 full-time semesters) up to a Bachelor's degree. The extended timeframe also applies to the Washington College Grant (WA Grant) and Passport to Careers. This aligns the eligibility timeframe of state programs with that of the federal Pell Grant. Other program requirements—such as attending an eligible college and maintaining satisfactory academic progress—remain unchanged.

### **College Bound – GPA Requirement**

Beginning in the 2023-24 academic year, there was no high school GPA requirement to receive College Bound at a community college or technical school. Students who enroll directly after high school into a four-year college or university will still need to meet the 2.0 GPA requirement to receive College Bound. Students with a high school GPA below 2.0 who attend a community college or technical school initially and then transfer to a four-year college will be able to receive College Bound. All students must still meet other College Bound Pledge and program requirements to receive funds. Students must still meet admission requirements to the four-year college or university of their choice and enroll before receiving College Bound.

### **WA Grant Campaign**

A Washington College Grant (WA Grant) campaign has been continued to increase awareness of the WA Grant program. This is a multi-faceted campaign to encourage students, apprentices, and families to apply. WA Grant gives more money to more people for more kinds of education and training beyond high school.

## Washington Award for Vocational Excellence

The Washington Award for Vocational Excellence (WAVE) was established by the Legislature in 1984 to help emphasize the importance of career and technical education, and the value of real-world, hands-on learning. The award was suspended in 2010 because of budget cutbacks during the Great Recession and restarted by the Legislature in 2022. The award recognizes high-performing career and technical education (CTE) students at the high school and college levels. Award values are based on the total number of scholarships awarded, as funding is limited, but can cover up to two years of tuition, according to the tuition charged by the institution students will attend. WAVE is administered by the Workforce Board in collaboration with WSAC, which handles the disbursement of funds. Application information is available at the Workforce Board's WAVE landing page: [wtb.wa.gov/wave/](http://wtb.wa.gov/wave/).

## Access and Support Programs

### Aim Higher Washington

[wsac.wa.gov/aim-higher](http://wsac.wa.gov/aim-higher)

The Aim Higher initiative is a coordinated effort to increase equity in educational attainment by helping more students in Washington apply for financial aid. The initiative's programs provide students with early, accessible, pathway-relevant financial aid information and application support. More info can be found at [wsac.wa.gov/aim-higher](http://wsac.wa.gov/aim-higher).

### Plan Your Future

[wsac.wa.gov/actionplan](http://wsac.wa.gov/actionplan)

WSAC developed a student-centered one-stop-shop website to assist juniors and seniors with their postsecondary planning, admissions, financial aid application support, and other critical resources.

### Washington Application for State Financial Aid (WASFA)

[wsac.wa.gov/wasfa](http://wsac.wa.gov/wasfa)

The Washington Application for State Financial Aid (WASFA) is accessible at [wsac.wa.gov/wasfa](http://wsac.wa.gov/wasfa). This application is available to students who are not eligible to complete the Free Application for Federal Student Aid (FAFSA) due to their immigration status, defaulted federal loans, or other issues with federal aid. Students who complete the WASFA will be considered for state financial aid programs only. The WASFA is available in English and Spanish.

### GEAR UP

[gearup.wa.gov](http://gearup.wa.gov)

Gaining Early Awareness and Readiness for Undergraduate Programs (GEAR UP) is a federally funded program that provides high-poverty school districts with resources to support them in preparing students for postsecondary options. WSAC, Washington State University, and University of Washington lead GEAR UP programs serving over 37,000 students in 70 school districts. The WSAC-led program serves over 5,500 students in 26 school districts. WSAC maintains a website of free resources available to schools, students, and families, including family newsletter templates, college visit resources, a scholarship listing, and more. 12th Year Campaign

## 12th Year Campaign

[wsac.wa.gov/12th-year-campaign](https://wsac.wa.gov/12th-year-campaign)

[wsac.wa.gov/fafsa-completion](https://wsac.wa.gov/fafsa-completion)

The 12th Year Campaign provides free trainings, materials, and other resources to those working with students on admissions and financial aid applications. The 12th Year Campaign can also support districts and schools with their Financial Aid Advising Day planning. Additionally, the 12th Year Campaign also promotes the Plus 5 Push by encouraging sites using 12th Year Campaign resources and student-level FAFSA data from the secure WSAC portal to increase their financial aid completion by 5 percent.

## OtterBot

[wsac.wa.gov/otterbot](https://wsac.wa.gov/otterbot)

OtterBot is a free texting service to support Washington high school students and their parents/guardians. It is designed for students who are enrolled in College Bound. Students and their parents/guardians will receive timely text reminders and can ask OtterBot questions about financial aid or college access information 24/7.

## Student Loan Education Course

[www.studentloaned.wa.gov](http://www.studentloaned.wa.gov)

The Student Loan Education Course provides a series of learning modules with information on applying for aid, comparing award letters, knowing how much aid a student needs, and repayment topics with four tracks:

- Preparing for school.
- Understanding my loans.
- Loan repayment.
- Supporting my child's education.

## College Savings Plans-WA529

[529.wa.gov](https://529.wa.gov)

Washington's two 529 college savings plans are the Guaranteed Education Tuition (GET) Program and the DreamAhead College Investment Plan. They help families save for future college and career training expenses.

GET and DreamAhead accounts grow tax-deferred and remain tax-free when used for qualified education expenses—tuition, fees, room & board, books, supplies, and more. Students can use GET and DreamAhead funds at public or private four-year colleges or universities in the U.S. and even some schools abroad, as well as trade schools and registered apprenticeship programs.

## GET

GET is a 529 prepaid tuition plan that offers Washington residents a “peace of mind” way to save for higher education. The State guarantees that savings in a GET account will keep pace with changes in-state public tuition rates. Specifically, 100 GET units purchased today will always equal one year of tuition and state-mandated fees at Washington's highest priced public university, no matter how much it changes in the future. The GET open enrollment period runs November through May each year.

## **DreamAhead**

DreamAhead is a 529 college investment plan open to anyone in the United States. Account owners select savings options and their money is invested in the market. DreamAhead investors can customize their saving portfolios based on their risk tolerance and student age. DreamAhead enrollment is open year-round.

## **Scholarship Search**

### **theWashBoard**

[thewashboard.org](http://thewashboard.org)

TheWashBoard.org is committed to increasing access to scholarships and financial aid for Washington students. Launched in 2010, theWashBoard.org, a free, scholarship matching website for Washington students, is a simple and central scholarship search and application resource. Last year, nearly \$18.3 million in scholarships were offered with a minimum of 3,741 available awards on TheWashBoard.org.

## **Need-based financial aid programs**

### **College Bound**

[collegebound.wa.gov](http://collegebound.wa.gov)

College Bound is an early commitment of state financial aid to cover tuition at public rates, some fees, and a small book allowance at over 65 eligible Washington postsecondary institutions.

This commitment is mostly fulfilled by the Washington College Grant. The application is a two-step process. After being auto-enrolled in 7th, 8th, or in some cases, 9th grade, high school students must fulfill program pledge requirements and meet residency and income requirements. Students must enroll in college within one year of high school graduation.

### **Passport to Careers Program**

[wsac.wa.gov/passport-to-careers](http://wsac.wa.gov/passport-to-careers)

[wsac.wa.gov/passport/guide](http://wsac.wa.gov/passport/guide)

This program offers two pathways for foster youth and unaccompanied homeless youth seeking a postsecondary degree or career training.

The Passport to College program helps students successfully attend a postsecondary institution by providing a college scholarship and comprehensive support.

The Passport to Apprenticeship Opportunities program helps students with career-related training under state-approved apprenticeship or pre-apprenticeship programs. Support services and financial aid are provided through ANEW.

### **Washington College Grant**

[wsac.wa.gov/wcg](http://wsac.wa.gov/wcg)

[wsac.wa.gov/wcg-apprentices](http://wsac.wa.gov/wcg-apprentices)

The Washington College Grant (WA Grant) provides need-based financial aid to Washington students pursuing postsecondary education and access to funding for

registered and approved apprenticeship programs. Students who meet eligibility requirements<sup>1</sup> can use the financial aid at Washington’s eligible institutions<sup>2</sup>, including public two- and four-year colleges and universities, and many accredited private/independent colleges, universities, and career schools in the state. In addition, participants may receive WA Grant funding for approved apprenticeship programs available through approved apprenticeship program providers.

In 2022-23, the eligibility thresholds increased and funds are guaranteed to all eligible students and apprenticeship participants, making the WA Grant one of the most generous financial aid programs in the country.

<sup>1</sup> Find income and program requirements at [wsac.wa.gov/wcg](https://wsac.wa.gov/wcg)

<sup>2</sup> Find a complete list of eligible institutions at [wsac.wa.gov/sfa-institutions](https://wsac.wa.gov/sfa-institutions)

## **State Work Study**

[wsac.wa.gov/state-work-study](https://wsac.wa.gov/state-work-study)

State Work Study is financial aid for low- and middle-income students. Qualifying students get an approved on- or off-campus job to support their education. Work study builds students’ skills, increases their earnings, and reduces reliance on student loans. The state contributes to the wages of work study employees, so participating employers benefit from educated and motivated workers at a lower cost. Many employers hire work study students on a permanent basis after graduation.

## **Merit-based financial aid programs**

### **American Indian Endowed Scholarship**

[wsac.wa.gov/american-indian-endowed-scholarship](https://wsac.wa.gov/american-indian-endowed-scholarship)

The American Indian Endowed Scholarship program provides educational scholarships on a competitive basis to high-achieving resident students, with demonstrated financial need, who have close social and cultural ties to an American Indian tribe or community within the state. Recipients demonstrate academic merit and a commitment to serve the American Indian communities in Washington.

## **Workforce programs**

### **Educator Workforce Programs**

[wsac.wa.gov/teachers](https://wsac.wa.gov/teachers)

The Washington State Educator Workforce Program provides financial aid to attract and retain teachers to work in subjects or locations of high need known as shortage areas. The program includes options for current teachers, student teachers, paraprofessionals, and non-educators hoping to move into the teaching field. The conditional scholarships require the participant to fulfill teaching service in a Washington K-12 public common school in exchange for the scholarship funds. The grant is awarded to applicants with the most financial need who are student teaching in a Washington K-12 Title I public common school.

### **National Guard Postsecondary Education Grant**

[wsac.wa.gov/national-guard](https://wsac.wa.gov/national-guard)

The National Guard Postsecondary Education Grant, commonly known as the National Guard Grant, helps eligible, actively participating members of the Washington National Guard and (starting Fall 2024) eligible dependents with the costs of

higher education through a conditional scholarship. Participants and sponsors commit to serving one year in the Washington National Guard in exchange for each year of grant funding. Combined with state and federal aid, grants can be used for costs of attendance, such as tuition, fees, room, and board, at approved colleges in Washington, as well as a portion of books and materials.

## **Dual Credit**

### **WA Grant Maximum Usage Standard & Dual Credit**

[wsac.wa.gov/college-credit-high-school](http://wsac.wa.gov/college-credit-high-school)

The Washington College Grant (WA Grant) has a maximum usage standard of 18 quarters/12 semesters or equivalent. The timeframe only applies to the quarters in which a student received the WA Grant. Because dual credit students cannot receive state financial aid to pay for college credits earned through dual credit, no course work taken in dual credit programs will apply to the WA Grant maximum usage timeframe<sup>3</sup>. Additionally, students who earn an associate degree through dual credit programs can use WA Grant toward another associate degree, if they are enrolled in an aid-eligible program.

Dual credit participation may still affect a student's access to financial aid, depending on the type of aid. Students who get close to the maximum timeframe will need to work closely with the financial aid representative at their college/university to maintain eligibility for federal and institutional aid. This issue is most likely to occur for students who graduate high school with a high number of college credits. Colleges and universities also typically include credits earned in dual-credit programs to evaluate satisfactory academic progress (SAP) when determining financial aid eligibility.

<sup>3</sup> Once a student completes their BA/BS, they are no longer eligible to receive the WA Grant, even if they had not utilized the fulltime limits. College credits earned through dual credit programs may be applied to BA/BS degrees.

## **College Admissions and Transfers**

### **Transfers**

[wsac.wa.gov/transfers](http://wsac.wa.gov/transfers)

Washington's public community and technical colleges offer transfer associate degrees that make it easier for students to transfer to bachelor's programs in Washington. These degrees transfer to all public and most private four-year colleges and universities.

There are three different transfer associate degrees:

- Direct Transfer Agreement (DTA) Associate Degree: Meets most lower division general education requirements at four-year colleges and universities.
- Associate of Science – Transfer (AS-T) Degree: For students who want to earn a bachelor's degree in engineering or science.
- Major Related Programs (MRPs): DTA and AS-T plans that prepare students for bachelor's degrees in specific majors such as business, nursing, and computer science.

Once admitted to a participating bachelor's degree program, students who complete transfer degrees can generally expect 90 transferrable quarter credits and junior class standing.

## College Admissions

[wsac.wa.gov/college-admissions](http://wsac.wa.gov/college-admissions)

Washington colleges have different admission policies, and some are more selective than others. Public community and technical colleges have an open-admission policy. WSAC works with partners in K-12 and higher education to set minimum admission standards for the state’s public baccalaureate schools.

High schools can choose to participate in a [Guaranteed Admissions Program \(GAP\) - Council of Presidents, a partnership with 6 public baccalaureate schools. \(councilofpresidents.org/ admissions/guaranteed-admissions-program-gap/\)](http://councilofpresidents.org/admissions/guaranteed-admissions-program-gap/)

## Counselor Resources

### Graduation requirements

[sbe.wa.gov/our-work/graduation-requirements](http://sbe.wa.gov/our-work/graduation-requirements)

Information about waivers: [sbe.wa.gov/our-work/graduation-requirement-emergency-waiver-program](http://sbe.wa.gov/our-work/graduation-requirement-emergency-waiver-program) – The Board adopted rules that modify the Graduation Requirements Emergency Waiver for students graduating in the 2023-24 school year. The [adopted rules](#) allow school districts to waive the graduation pathway requirement with certain limitations, in addition to permitting a waiver of up to one credit requirement.

[sbe.wa.gov/our-work/waivers](http://sbe.wa.gov/our-work/waivers): view “Applications for Waiver of Implementation of the 24 Credit Framework for Up to Two Years” and “Waivers Granted from the Credit-Based Graduation Requirements”.

Students seeking admission to a public four-year public college in Washington must meet the credits required in the minimum college admission standards- [wsac.wa.gov/college-admissions](http://wsac.wa.gov/college-admissions). In addition, students interested in college athletics and athletic scholarships must meet NCAA academic eligibility requirements, available at [ncaa.org/sports/2014/10/24/play-division-i-sports.aspx](http://ncaa.org/sports/2014/10/24/play-division-i-sports.aspx)

# Community and Technical Colleges of Washington

Washington State Board for Community and  
Technical Colleges  
1500 Jefferson St. SE  
PO Box 42495  
Olympia, WA 98504-2495  
(360) 704-4400

[www.sbctc.edu](http://www.sbctc.edu)

## Student Profile

Total Enrollment: 273,051  
Faculty/Student Ratio: 1:16

## Type of Student

College/University transfer: 37%  
Professional-technical: 31%

## Equity & Diversity

“Leading with racial equity, our colleges maximize student potential and transform lives within a culture of belonging that advances racial, social, and economic justice in service to our diverse communities.”

Washington State Board for Community and Technical  
Colleges Vision Statement, adopted June 2019.

## Top Degrees Awarded 2022-23

- Associate in Arts (DTA)
- Workforce degrees
- Applied Baccalaureate degrees
- Associate in Business (DTA/MRP)
- Associate in Applied Science-Transfer (AAS-T)
- Nursing and Pre-Nursing degrees

## Top Transfer Destinations

Each year, about 31,000 students transfer from a community or technical college to a public or private baccalaureate institution.

To help make transferring simple for students, community and technical colleges hold direct transfer agreements with:

- Bastyr University
- Central Washington University
- City University of Seattle
- Cornish College of the Arts
- Eastern Washington University
- The Evergreen State College
- Gonzaga University
- Heritage University
- Northwest Indian College
- Northwest University
- Pacific Lutheran University
- Saint Martin’s University
- Seattle Pacific University
- Seattle University
- University of Puget Sound
- University of Washington (all campuses)
- Walla Walla University
- Washington State University (all campuses)
- Western Governors University
- Western Washington University
- Whitworth University

## Resources for Counselors

[CheckOutACollege.org/GetMore](http://CheckOutACollege.org/GetMore)

Find college and degree options, career and wage data, ideas for paying for college, search by program and location, multiple languages, links to two-year and four-year colleges, Fall Counselor Workshop PowerPoint, and publications.

## Check Out a College brochures

Get brochures from your nearest community or technical college, or order larger quantities at a reasonable price. **FREE:** Ask your local college for Check Out a College brochures.

See the Washington community and technical outreach staff roster at <http://www.CheckOutACollege.org/GetMore> for college brochure contacts.

**LOW COST:** Order online from the Washington State Department of Printing website:

- Go to [myprint.wa.gov](http://myprint.wa.gov)
- In the “Search” field at lower left, type “Check Out a College”
- Order based on instructions

## Dual Credit Options

### Running Start

Running Start allows 11th and 12th grade students to take college courses at Washington's 34 community and technical colleges. Students earn high school and college credits for these courses. Running Start students and their families do not pay tuition for up to a combined college and high school annual FTE of 1.4. Students pay mandatory fees, books, and transportation. Some colleges have grants and waivers to help students with these expenses. Check with the college for details.

Students interested in Running Start may get more information from their high school counseling office or from the Running Start coordinator at their local college. Many colleges offer orientation sessions to help students and families learn more about the program. The entire catalog of courses is available to Running Start students. This includes electives, vocational, online, and advanced course work.

More at [www.sbctc.edu](http://www.sbctc.edu)

### College in the High School

College in the High School programs provide college-level academic courses to 9<sup>th</sup>, 10<sup>th</sup>, 11<sup>th</sup> and 12<sup>th</sup> grade students. Courses are taught at the high school by high school teachers with college curriculum, college textbooks, and oversight by college faculty and staff.

- Beginning fall 2023, all course fees were removed. All students can participate in these courses at no cost.
- Located at the high school.

### CTE Dual Credit

CTE Dual Credit allows high school students to earn college credit in their high school career and technical education (CTE) classes without leaving their high school campus.

- Tuition free.
- Located at the high school.
- Credits apply only to [professional-technical certificates or degrees](#).

## Professional-Technical Program Matrix

The SBCTC Workforce Education professional-technical program matrix in this handbook is subject to change. Programs are listed by general categories and may not reflect actual program names.

- See Career and Job Training Programs matrix. [Eligible Training Provider \(ETP\) list](#)  
Visit the Career Bridge website at [www.careerbridge.wa.gov](http://www.careerbridge.wa.gov) for the ETP list.

## Applied Baccalaureate Degrees

- An applied baccalaureate (applied bachelor's) degree builds on the education and training from a two-year technical associate degree, allowing graduates to move up the educational and professional ladder without starting over.

### Degree Options

- Most community and technical colleges offer a variety of applied bachelor's degrees.  
For a complete list, visit [www.SBCTC.edu](http://www.SBCTC.edu).

### Applied Baccalaureate Tuition

- Tuition rates are roughly double the cost of regular community and technical college credits.  
See community and technical college tuition chart.

## University and College Transfer

More and more students get started on a bachelor's degree with an associate transfer degree. Students get a high-quality undergraduate experience and save money by starting at a community or technical college and transferring to a Washington four-year college, branch campus, university center, or applied baccalaureate program.

### Associate transfer degrees

Several options are available, so students should work closely with an advisor to choose the right degree and classes for their educational and career goals. Students should contact the four-year college or university of their choice to fully understand and meet degree requirements before transferring.

**See Transfer Degree Inventory chart.**

### University Centers and Transfer Partnerships

Students can earn an associate transfer degree at a community or technical college and then stay on campus to complete a bachelor's degree from one of our many four-year college or university partners. Options are subject to change.

**See University Centers and Transfer Partnerships chart.**

### High School Diploma Options

Community and technical colleges offer three ways to earn a high school diploma.

1. Earn an associate degree through Running Start, request high school diploma from college
2. Earn an associate degree, request high school diploma from college (may require financial aid)
3. Earn a high school diploma from the college through one of the following high school completion programs (may require financial aid)

### I-BEST

Washington's nationally renowned Integrated Basic Education and Skills Training program (I-BEST) uses a team-teaching approach to combine adult education classes with regular, credit-bearing academic or job training classes so students get through school and into jobs faster.

### Project I-DEA

With I-DEA, English language learners who face the largest language gaps are learning English quickly and in practical ways.

Like I-BEST, this project uses an integrated, team-teaching approach so students learn English in tandem with job skills and life skills. Classes are "flipped": Students learn basic words and ideas online and cement their knowledge in class with the aid of instructors and peers. Computers and 24-hour internet access allow students to learn topics that matter most to them, anytime, anywhere.

### Competency-based education

Many adult education courses are competency-based; students move through adult education into pre-college (remedial) or college-level courses based on knowledge gained rather than time spent in a classroom. Students move as quickly through courses as their competencies take them.

### High School Equivalency (HSE)

Many people who did not finish high school have the same knowledge and skills as those who did graduate. By taking and passing a series of HSE tests, adults can demonstrate they have acquired the same level of knowledge. Washington state uses the four-part GED® tests for its HSE test.

Most colleges and employers accept an HSE credential as being equivalent to a high school diploma. SBCTC oversees the HSE testing program for the State of Washington. Those who meet the eligibility requirements may take the HSE tests at official test centers located throughout the state. You can find a local test center through the GED® Testing Service.

### High School+

High School+ is a competency-based high school diploma offered at Washington's community and technical colleges for adults who are at least 18 years old. Advisors look at transcripts and knowledge gained from life experience, and work with students to craft an educational plan to fill gaps. To receive a diploma, students must demonstrate competency in reading, writing, and math in the context of science, history, government, occupational studies, and digital literacy.

### Sports and Recreation

Community colleges provide a variety of enrichment activities and programs, including intercollegiate athletics. Sports include basketball, baseball, cross country, golf, softball, soccer, tennis, track and field, volleyball and wrestling. Recognizing the time commitment of student-athletes, colleges may fund tuition Grants-in-Aid through scholarships of up to 40 percent of tuition costs. Visit the Northwest Athletic Conference website at [www.nwacsports.org](http://www.nwacsports.org) for details.

### Multicultural/Diversity and Student Leadership

The multicultural/diversity and student leadership offices on our college campuses work to create an environment that welcomes everyone, encourages civic engagement and student involvement, and provides opportunities for student success. They offer events, programs, and spaces that promote understanding, celebrate diversity, and honor different points of view. Their commitment to diversity, social justice, and multiculturalism has earned prestigious awards across the state.

## Disability Student Services

Campus disability support service offices ensure equal access to educational programs and services by providing consultation on accommodations (e.g. placement testing, classroom, assistive technology) for students with disabilities who are otherwise qualified for college.

The rights of students with disabilities are different in college from what they were in high school. It is important for high school students and their parents to plan appropriately for their students' transitions to post-secondary institutions. Compared to services at public schools, the services provided by post-secondary institutions may seem minimal.

To be eligible for disability-related services, students must have a disability as defined by the Americans with Disabilities Act of 1990 (ADA) and Section 504 of the Rehabilitation Act of 1973. Under the ADA and Section 504, a person has a disability if he or she has a physical or mental impairment that substantially limits one or more of the major life activities (walking, standing, seeing, speaking, hearing, sitting, breathing, and taking care of oneself).

## Financial Aid

Community and technical colleges award federal, state, college-based grants, and work-study based on the Free Application for Federal Student Aid (FAFSA) and Washington Application for State Financial Aid (WASFA).

**Financial aid deadlines vary. Check with the college of your choice for priority dates. We encourage students to apply early.**

Colleges widely recommend students planning to attend fall quarter adhere to the timeline set for College Bound students (February 1).

Those planning to attend winter or spring quarter should also apply for aid by spring of the previous year.

**See Admissions and Financial Aid chart.**

## Scholarships

A variety of scholarships may be available from each college based on financial need, program of study or major, academic merit, leadership or community

service. Many colleges offer scholarships through their foundations or list scholarships at their websites.

**Most deadlines for fall scholarships** for graduating high school seniors offered by community and technical college foundations will be in February, March and April of that year.

## Tuition Waivers

Certain populations are eligible for full or partial reduction of tuition. Tuition waivers vary by campus, so check with college registration offices.

Some examples: Military veterans, senior citizens, active-duty military/Washington National Guard, children of deceased or disabled law enforcement officers and firefighters, families of fallen soldiers and families of disabled veterans, basic education.

Washington Community and Technical College Programs

* Certificate, associate or applied bachelor's degree	Bates	Bellevue	Bellingham	Big Bend	Cascadia	Centralia	Clark	Clover Park	Columbia Basin	Edmonds	Everett	Grays Harbor	Green River	Highline	Lake Washington	Lower Columbia

<b>Highline College</b> highline.edu	General admission deadlines are two weeks after the start of the quarter. However, the earlier a student applies, the better their chances for priority in class selection.	Some special programs have specific admission procedures and limited space; therefore, admission to the college does not guarantee availability of all programs and courses. Special programs include seven applied bachelor's degrees, high school completion (including Running Start) and Registered Nursing. Check the specific program admission page for details and deadlines.	No application fee for the general application. However, Nursing, BAS and ISP programs have an application fee.	At Highline, placement occurs using a variety of methods, including testing, self-assessment, high school transcripts and scores, other college transcripts, GED® scores and more. We encourage students to work with our Placement & Testing Center staff.	\$0	For general admissions, there are no requirements. A limited number of programs require additional credentials. Check the specific program admission page for details.	Highline has eliminated the Financial Aid deadline for 2024-25 and replaced it with a first-come, first-served system. Applications take an average of 90 days to review. Students are responsible for submitting applications more than 90 days before the start of quarter, which increases their chances of securing funding by the start of the quarter.	Housing is available through a public-private partnership. For details, visit <a href="http://highline.edu/campusview">highline.edu/campusview</a>

## Accreditation

Northwest Commission on Colleges and Universities

## Introduction

Since 1940, Bates Tech has been committed to providing career-focused education with an emphasis on hands-on learning. The college boasts three dynamic campuses, each with its unique offerings. Looking ahead, we anticipate breaking ground on a new Fire Service Training Center in spring 2025. Additionally, pending final approval from the NWCCU, the college is excited to introduce its first Bachelor of Applied Science degree in Public Safety Administration in 2025. Our programs are designed to be practical and intensive, providing in-demand education that is both affordable and a direct pathway to employment.

## Diversity, Equity, & Inclusion

Bates Tech is dedicated to fostering an inclusive environment that embraces diversity and equity. We believe in creating a college climate and workforce that welcomes individuals from all backgrounds. Our overarching goal is to cultivate an environment that is free from all forms of discrimination, ensuring that every person feels valued and respected.

To further this mission, we have established the Diversity, Equity, and Inclusion Office, recognizing its crucial role in addressing these matters and advancing our shared objective. As a public educational institution, we are committed to providing equal opportunities for everyone, fostering an environment where diverse perspectives are not only embraced but celebrated. ## **Bellevue College**

3000 Landerholm Circle SE  
Bellevue, WA 98007  
[bellevuecollege.edu](http://bellevuecollege.edu)

With a reputation for innovative programs, Bellevue College is a recognized leader in STEM education, nursing, health sciences, and business. It is ranked as one of the nation's top schools for return on investment.

## Student Profile

Total Enrollment: 19,134  
Faculty/Student Ratio: 21:1

## Diversity, Equity, and Inclusion

As an essential part of its mission and goals, Bellevue College is committed to the elimination of systemic disparities between social identities. The college strives to understand the root causes of inequity and disrupt behaviors that sustain systems of power. By enriching student life through leadership opportunities, personal learning, collaborative practices, and cultural experiences, Bellevue College is committed to building a pluralistic and diverse campus community that fosters creativity, innovation, and student success.

## Program Intent

College/University Transfer: 68%  
Professional-technical: 19%

## Admission Requirements and Criteria

The college admits:

- Eligible applicants - at least 18 years of age, high school graduate, hold a GED, or other equivalent high school credential
- High school students who apply under the provisions of a WA State student program, such as Running Start, Career Education Options (CEO), or Summer Enrichment
- Underage students on a case-by-case basis, and as determined by the Dean of Student Central

- Applicants to specific programs with selective admission criteria. (Note: due to enrollment limitations, these programs may not admit all qualified applicants.)

## General Eligibility

New students must take the following steps before registering for classes:

- Complete the online admission application by the deadline for the desired quarter\*
- Obtain English and math placement using one of the options listed on the Testing & Placement Services website\*
- Attend a New Student Orientation session
- Follow directions provided in the "Welcome Letter" email, sent shortly after submission of application

\*A placement fee is charged, but students do not pay the fee until they submit first quarter tuition. Prospective students are encouraged to contact the Welcome Center for more information.

## Deadlines and Fees

Regular Application Deadline: Sept. 1, 2024 (Fall Quarter)

Application Fee: Free

Application Fee Waiver: N/A

## Selective Admissions Programs

The degree programs listed below require students to follow a selective admission process in addition to completing the general college admission application.

- All Bachelor's Degrees
- Diagnostic Ultrasound Technology AA
- Neurodiagnostic Technology AA
- Nuclear Medicine Technology AA
- Nursing AAST
- Radiation Therapy AA
- Radiologic Technology AA

Students do not need to be admitted to these programs to transfer credits. The college will review transcripts even if students have not registered for classes yet.

3028 Lindbergh Avenue  
Bellingham, WA 98225-1599  
[www.btc.edu](http://www.btc.edu)

## Student Profile

Total Enrollment: 3,828  
Faculty/Student Ratio: 1:15

## Diversity, Equity, & Inclusion

BTC seeks to create an educational experience that prepares all students to live as critical thinkers and engaged members of a global world. Our graduates will be prepared to enter their careers as leaders who honor the importance of diverse communities. BTC is dedicated to the ongoing training and education of our students and employees around topics of justice, equity, diversity, and inclusion.

BTC is engaged in reducing institutional barriers and harm that students of historically underrepresented groups are experiencing daily. BTC is committed to supporting our Black, Indigenous and People of Color community (BIPOC) members and working to define, identify, and dismantle inequitable structures of power, privilege and oppression that have and continue to hinder the education of historically underrepresented peoples.

Learn more about BTC's DEI work and student population at [www.btc.edu/diversity](http://www.btc.edu/diversity)

## Program Intent

Professional-technical: 55%  
Basic Skills: 17%  
Transfer: 2%  
Other: 26%

## About the College

Bellingham Technical College, located in Whatcom County, offers high-quality education in a supportive, student-first environment. We prepare students for high-wage, high-demand careers. With more than 50

associate degrees and 35 certificates, students can choose programs in fields ranging from Accounting to Machining, Nursing to Process Technology, and Culinary Arts to Fisheries & Aquaculture Sciences.

BTC offers a fully online Bachelor of Applied Science degree in Operations Management. This two-year degree can be added on top of an existing associate or bachelor's degree and will prepare students for higher paying positions in a variety of industries and businesses.

## Admission Requirements and Criteria

BTC welcomes applications from students who are at least 18 years of age or a high school graduate, or those who have applied for admission through special programs such as Running Start and Impact.

## Dual Credit Options

Dual Enrollment options allow high school students to take classes that will apply toward both high school and college credit. Students can earn dual credit on their High School campus via CTE Dual Credit or Advanced Placement (AP) programs. They can also earn dual credit on BTC's campus through our Running Start program.

## Running Start

Running Start allows qualified high school juniors and seniors, including public, private and home school students, to receive college credit while completing high school requirements. Students are enrolled simultaneously in high school and college classes (or just college classes) and are awarded dual credits by their high school and college. Find out more online at [www.btc.edu/RunningStart](http://www.btc.edu/RunningStart)

## Impact Youth Re-Engagement

Impact is a free, flexible program that helps students who have dropped out or are significantly behind in credits create a path to academic and career success. Students get free tuition at BTC and academic support

as they work toward their GED and continue on for an associate degree or certificate. [www.btc.edu/Impact](http://www.btc.edu/Impact)

### CTE Dual Credit

Career and Technical Education (CTE) Dual Credit provides career pathways for high school students. High school and college instructors work together to choose CTE courses that meet entry-level requirements for comparable college courses, so that students may be able to receive BTC credit while still in high school. Learn more about all of BTC's dual credit options at <http://www.btc.edu/DualCredit>.

### Estimated Annual Expenses

The Estimated Costs of Attendance for the 2024-2025 school year listed below are for full-time enrollment (12+ credits) for Fall, Winter, and Spring quarters. Amounts are estimates that may be used for planning purposes.

	<u>Living w/ relatives</u>	<u>Not living w/ relatives</u>
Tuition & Fees	<u>\$6,000</u>	<u>\$6,000</u>
Books/Supplies	<u>\$528</u>	<u>\$528</u>
Room and Board	<u>\$8,928</u>	<u>\$17,310</u>
Transportation	<u>\$2,676</u>	<u>\$2,898</u>
Miscellaneous/ Personal	<u>\$1,848</u>	<u>\$1,848</u>
<b>Total</b>	<u>\$19,980</u>	<u>\$28,584</u>

### Financial Aid

Phone: 360-752-8351

Email: [finaid@btc.edu](mailto:finaid@btc.edu)

Website: [www.btc.edu/FinancialAid](http://www.btc.edu/FinancialAid)

Scholarship Website: [www.btc.edu/Scholarships](http://www.btc.edu/Scholarships)

### Priority FAFSA/WASFA Dates

BTC accepts FAFSAs and WASFAs on a rolling basis, but recommends that students begin the application process at least two months prior to the suggested deadline dates for best results:

Summer quarter: May 1

Fall quarter: June 1

Winter quarter: November 1

Spring quarter: February 1

### Housing

BTC is located in a residential area near the Birchwood and Columbia neighborhoods in Bellingham, where apartment, condo or house rentals and purchase opportunities are available.

### Campus Visits

Join us for campus tours, college and program information sessions, events and more.

Email: [admissions@btc.edu](mailto:admissions@btc.edu)

Website: [www.btc.edu/apply](http://www.btc.edu/apply)

Phone: 360-752-8345

### Student Life

The Associated Students of Bellingham Technical College (ASBTC) leads student government and hosts campus events and activities throughout the year. Students participate in clubs such as Phi Theta Kappa, Culinary Club, Genders & Sexualities Alliance, and student chapters of professional organizations, such as the Student Nursing Organization and the American Welding Society. BTC has an attractive campus and fosters a welcoming campus environment.

# Big Bend Community College

7662 Chanute Street NE  
Moses Lake. WA, 98837

Website: [www.bigbend.edu](http://www.bigbend.edu)

## Student Profile

Total Enrollment: 4,076  
Faculty/Student Ratio: 16:1

## Diversity, Equity, & Inclusion

Big Bend Community College believes that every person’s background, which includes identifiers such as ethnicity, race, gender, religion, sexual orientation, and ability, helps enrich our campus community when an environment is conducive to the expression of that identity. We commit to providing a campus climate where equity, inclusion, and diversity thrives and leads to individuals pursuing their educational, personal, and professional goals.

<https://www.bigbend.edu/about-us/institutional-research-and-planning/>

## Program Intent

College/University Transfer: 37%  
Professional-technical: 40%  
Adult Basic Education: 23%

## Admission Requirements and Criteria

### General Eligibility

BBCC accepts all applicants who are 18 years of age or older. Those under 18 years of age who have graduated from an accredited high school, have an equivalent certificate, e.g., the General Education Development (GED) Test, or qualify, as a Running Start student will be admitted. Applicants who are younger than 18 and who do not meet these requirements must provide BBCC with a written release from their school principal authorizing BBCC to admit them. All applicants must be 16 years of age or older unless they have graduated from high school or are part of a state approved program such as Running Start. Some programs have

specific admission procedures and limited space; therefore, admission to BBCC does not guarantee admission into all programs. Students enrolling in a degree program must apply for college admission. BBCC will assign an advisor, evaluate transfer course work and maintain a student file for officially admitted students. Registration priority is given to students who have been officially admitted to BBCC.

### Deadlines & Fees

Regular Application Deadline: N/A

## Student Life, Recreation, Resources

The **Activities and Recreation Center (ARC)** at Cascadia College and UW Bothell offers a fitness center, food trucks, a game room, meeting and event spaces, and student resources.

The **Kodiak Cave** is an emergency food resource center located on campus that directly serves the student body of Cascadia College. Kodiak Cave's mission is to end hunger on our campus by providing nourishing meals, education and resources to our community. It currently operates as a "choice pantry", meaning guests will be able to pick the food from the cross-cultural items that best meets their needs. This gives guests dignity as well as comfort because they can choose from items that they are familiar with. It also helps to reduce food waste. Kodiak Cave offers curbside pick-up and weekly deliveries as well virtual cooking classes for students to help educate them on nutrition, further reducing waste, and saving money.

The **Cascadia Scholars Program** was implemented to help BIPOC (Black, Indigenous, Persons of Color) and historically marginalized students connect to the college and achieve their educational and career goals. The program continues to grow and offers mentoring, resources, and support for students. Cascadia works with local school districts to provide students of color/justice conferences each spring. The conference themes include identity, collaboration, education, leadership, and social justice.

## New Degrees & Programs

### **NEW IN 2024: Water Resource Management – AAS-T!**

The program integrates technology and the Natural Sciences with an emphasis on water quality as it relates to soil and water systems, geographic information systems (GIS), water policy, regulations and permitting practices. Students will explore the outdoors and conduct applied research in the 58 acres of campus restored wetland! In addition, classes include lab science, seminars and work-based learning.

Cascadia College is one of two current colleges in partnership with University of Washington to offer new **American Indian and Indigenous Studies (AIIS) courses** that directly transfer into UW's AIIS degree program. These courses celebrate the contemporary lives and historical local experiences of PNW Indigenous peoples. Through these courses, Cascadia will center the indigenous experience within its own community

culture, as well as collaborate with tribal groups to help meet their academic and workforce needs.

## New Buildings

**Cascadia's Gateway Building (CC5)** is expecting to receive construction money July 2025. The four-story project will total approximately 37,600 GSF and will house all of the student services. By bringing all student services under one roof in a layout that mimics the student journey from application through to graduation, the Gateway Building will facilitate a seamless experience for every individual. The spaces are designed to encourage collaboration and community-building around an open staircase volume that include student meeting rooms and study spaces for group work, a commuter lounge, and other features that invite exploration and inspire innovation.

**Innovation Hall** opened for classes winter quarter 2024, and is fully thriving. This is the first academic building shared jointly by Cascadia and UW Bothell. The goal of this state-of-the-art facility is to open STEM fields to students who have historically been underrepresented in STEM education. It also represents a physical manifestation of new academic agreements designed to facilitate the seamless transition for Cascadia students who choose to continue their STEM studies at UW Bothell.

Cascadia College opened a classroom in the **Redmond Together Center (RTC)**, an innovative project that houses a wide range of social services and low-income housing in one complex, in the Fall of 2023. Course programming is geared towards the needs of RTC residents, clients of the organizations located in the complex, and students for whom it is difficult to commute to our campus. This is one example of how Cascadia is centering equity and inclusion.

# Centralia College

Centralia College  
600 Centralia College Blvd.  
Centralia, WA 98531  
360-736-9391  
[www.centralia.edu](http://www.centralia.edu)

## Student Profile

Total Enrollment: 4,843 (headcount)  
Faculty/Student Ratio: 1:21

## Diversity, Equity, & Inclusion

It is the policy of Centralia College to assure equal employment opportunity and non-discrimination on the basis of race or ethnicity, creed, color, national origin, sex, marital status, sexual orientation, age, religion, the presence of any sensory, mental or physical disability, and status as a disabled or Vietnam-era veteran. The College will make every effort to reduce barriers to equal opportunity. Learn more about EDI initiatives on campus at [www.centralia.edu/about/diversity/default.aspx](http://www.centralia.edu/about/diversity/default.aspx).

## Program Intent

College/University Transfer: 30%  
Professional-technical: 21%

## Admission Requirements and Criteria

### General Eligibility

Applying to Centralia College is easy. There's no application fee and applications are accepted throughout the year for most programs.

For general admission, students must be 18 years of age or older, and have a high school diploma or GED. There are special admission requirements for students younger than 18.

For detailed information, visit [www.centralia.edu](http://www.centralia.edu).

Centralia College also offers classes for adults seeking a GED or Adult High School Diploma, or those needing to learn the English language.  
For more information, visit [www.centralia.edu](http://www.centralia.edu).

## Deadlines & Fees

Regular Application Deadline: Applications are accepted throughout the year for most programs.  
Application Fee: \$0  
Application Fee Waiver: N/A  
Other Fees: Student Activity Fee = \$45 per quarter;  
Student Use Fee = \$4 per credit (up to 10 credits);  
Student Project Fee = 5% per credit (up to 18 credits)

## Selective Admissions Programs

The Nursing and Bachelor of Applied Science programs have unique admissions procedures, deadlines, and application fees. For detailed information, visit the Centralia College website at [www.centralia.edu](http://www.centralia.edu).

## Dual Credit Options

### Running Start

Centralia College has a robust Running Start program for eligible high school juniors and seniors to earn college and high school credits at the same time. Dedicated Running Start counselors and advisors ensure students are supported and set up for success. For more information, visit the college website at [www.centralia.edu](http://www.centralia.edu).

### College in the High School

Juniors and seniors in high school may be eligible to enroll in college-level classes in their high schools. Classes are taught by high school teachers and reflect the same academic standards as classes offered on the college campus.

Interested students should contact their school district for information about class availability, schedules, and the application process.

### Estimated Annual Expenses

Tuition/Fees (15 credits)	\$5,109
Room and Board	\$7,200
Books/Supplies	\$825
Total	\$13,134

## Diversity, Equity & Inclusion

[www.cptc.edu/edi](http://www.cptc.edu/edi)

CPTC is fundamentally committed to eliminating inequities in college access, completion, and employment for students historically underrepresented in higher education. To achieve this end, it is important for students to see themselves reflected in the diversity of employees across all levels of our institution. It is also essential that employees and students experience an environment where individuals are able to express their culture and live authentically in this educational space. CPTC prioritizes equity, diversity, and inclusion (EDI) as the center of our work. We seek to uplift the voices of our diverse students and employees; provide training for students, faculty, staff, and administrators; and implement across all departments practices that support our EDI goals.

Title IV/FAFSA code: 005001

FAFSA deadlines: [edmonds.edu/finaid/deadlines.html](http://edmonds.edu/finaid/deadlines.html)

## Other Aid and Scholarships

Current or future students may apply winter quarter each year for an EC Foundation Scholarship for the upcoming academic year at [edmonds.edu/foundation](http://edmonds.edu/foundation). Full-time, part-time, and international students may qualify based on financial need, academic success, and community service with awards that range from \$1,000 to \$7,000. Current Running Start students are not eligible.

## Student Housing and Residence Life

425-640-1080 or [edmonds.edu/housing](http://edmonds.edu/housing)

Rainier Place Residence Hall: (16 and older) on campus four-story residence hall for 180 students. Features single or shared furnished rooms in apartments, FOB access, weekly programs, two Resident Assistants (RAs) per floor, laundry room, community rooms, WiFi, parking, and student leadership opportunities.

Triton Court Residence Hall: (16 and older) on campus five-story residence hall for 220 students. Features single or shared furnished rooms in apartments, FOB access, weekly programs, two Resident Assistants (RAs) per floor, laundry room, community rooms, WiFi, parking, and student leadership opportunities.

Homestay: (16 and older) living with a local EC host family. Single furnished room with three meals a day and family support.

## Campus Visits

Sign up for a 45-minute campus tour lead by EC students who combine knowledge of our campus with firsthand experience to highlight campus life.

[edmonds.edu/tour](http://edmonds.edu/tour), [outreach@edmonds.edu](mailto:outreach@edmonds.edu), or 425-640-1706

## Student Life

The Center for Student Engagement and Leadership offers ways to get involved. Learn about student organizations, activities, student government, student publications, and leadership opportunities on campus at [edmonds.edu/csel](http://edmonds.edu/csel).

## Sports and Recreation

Intercollegiate and intramural sports are offered each quarter. Intercollegiate athletics are men's and women's cross country, men's and women's soccer, men's and women's basketball, men's baseball, women's volleyball, and women's softball. Seasonal intramural activities include badminton, soccer, volleyball, basketball, and ping pong.

Seaview Gymnasium has a weight room, dance and aerobics room, basketball court, gender neutral restrooms, and locker rooms and showers. [edmonds.edu/athletics](http://edmonds.edu/athletics), [athletics@edmonds.edu](mailto:athletics@edmonds.edu), or 425-640-1415

## Services for Students with Disabilities

SSD provides accommodations to students managing conditions to ensure equal access to all educational experiences at EC. 425-640-1320, 425-640-1622 (fax), 425-354-3113 Video Phone or [ssdmail@edmonds.edu](mailto:ssdmail@edmonds.edu)

## Office of International Programs

Admissions, academic and transfer advising, cultural support, and activities for international students, and Study Abroad opportunities.

Everett Community College (EvCC)  
2000 Tower St.  
Everett, WA 98201

[EverettCC.edu](http://EverettCC.edu)

## Student Profile

Total Enrollment: 14,737  
Faculty/Student Ratio: 1:15

## Diversity, Equity and Inclusion

EvCC is committed to advancing equity and social justice by transforming itself into a diverse, equitable, and inclusive working and learning environment. The college's strategic plan includes four priorities with equity at the center of each: belonging, student ready, sustainability and career-connected. More info: [EverettCC.edu/StrategicPlan](http://EverettCC.edu/StrategicPlan)

## Program Intent

College/University Transfer: 52%  
Professional-Technical: 15%

## Admission Requirements and Criteria

### General Eligibility

Students must be age 18 or older, have graduated from high school, or have a GED to be accepted at EvCC through regular admission. To apply for admission, visit [EverettCC.edu/Admissions](http://EverettCC.edu/Admissions)

### Deadlines & Fees

Priority Application Deadline Fall 2024: May 24, 2024  
Application Fee: \$0, \$25 for BAS  
Applications are accepted on an ongoing basis.

### Selective Admissions Programs

Aviation Maintenance: [EverettCC.edu/Aviation](http://EverettCC.edu/Aviation)  
BAS Accounting: [EverettCC.edu/AccountingBAS](http://EverettCC.edu/AccountingBAS)  
Fire Science & EMT: [EverettCC.edu/Fire](http://EverettCC.edu/Fire)  
Health Sciences: [EverettCC.edu/HealthCare](http://EverettCC.edu/HealthCare)

## Dual Credit Options

### Running Start

Students can receive the admissions application from their high school counselors. More info: [EverettCC.edu/RunningStart](http://EverettCC.edu/RunningStart) or call 425-388-9073.

### College in the High School

EvCC's College in the High School program is accredited by the National Alliance of Concurrent Enrollment Partnerships. Students should register through their high schools. For more information, visit [EverettCC.edu/CHS](http://EverettCC.edu/CHS) or call 425-388-9040.

### Ocean Research College Academy (ORCA)

ORCA is a full-time Running Start option for high school juniors and seniors. It is the only program in the county with a research lab and research boat for STEM-focused instruction. For more information visit, [EverettCC.edu/ORCA](http://EverettCC.edu/ORCA) or call 425-267-0156.

## Estimated Annual Expenses 2024-25\*

Tuition and Fees	\$4,728
Books/Supplies	\$528
Rent, Food, Utilities	\$17,310
Transportation	\$2,898
Personal Expenses	\$1,848
Total	\$27,312

\* Washington resident living away from parents, off-campus, for 3 quarters

Website: [EverettCC.edu/FA](http://EverettCC.edu/FA)  
Scholarship Website: [EverettCC.edu/Scholarships](http://EverettCC.edu/Scholarships)

## FAFSA Deadlines

Applications are accepted on an ongoing basis. We recommend filing your FAFSA or WASFA at least two weeks before the priority date of the quarter you want to start. Visit [EverettCC.edu/FA](http://EverettCC.edu/FA) for details.

Fall 2024 Priority Date: June 7, 2024

Winter 2025 Priority Date: Nov. 8, 2024

Spring 2025 Priority Date: Feb. 17, 2025

## Housing

EvCC has two student housing buildings, Mountain View and Cedar Hall. Mountain View has 120 private, furnished apartments, each with its own bathroom. Cedar Hall has studio, three-bedroom, and four-bedroom furnished apartments with kitchens for 132 students.

Units can be leased for one to four quarters. Rent includes all utilities and wireless internet. On-site staff is available to assist students, and buildings are protected 24/7 by Campus Safety & Security.

Application and more information for both buildings is available at [EverettCC.edu/Housing](http://EverettCC.edu/Housing)

## Pathways, Programs, and Degrees

EvCC has eight pathways, which are groups of related degrees and certificates, and an Exploratory Pathway to help students examine potential programs and careers while making progress toward an associate degree. Each pathway has a team of academic advisors who work with students to create an education plan.

The college offers more than 90 programs, including university transfer degrees, certificates for technical and career fields, and a bachelor of applied science degree.

## Aerospace

EvCC is the home of the Washington State Center of Excellence for Aerospace and Advanced Materials Manufacturing and offers degree programs, certificates, and continuing education for in-demand jobs in the aerospace industry.

## Advanced Manufacturing

EvCC's Advanced Manufacturing Training & Education Center (AMTEC) trains students for in-demand jobs. All programs are short, stackable and lead to a professional certificate or college degree. Students learn about the manufacturing process from start to finish as they

complete interdisciplinary projects like creating unmanned aerial vehicles, robots and paddle boards.

## Nursing

EvCC's Nursing and Health Sciences building includes hospital-like classrooms and a clinical simulation lab.

## Engineering

After earning an associate degree, engineering students can stay on EvCC's campus to earn a bachelor's degree in mechanical engineering through Washington State University Everett.

## Visual Arts

EvCC's visual arts program includes photography, studio art (drawing, design, painting, ceramics, sculpture and printmaking), and visual communications (graphic arts, digital illustration, and web design).

## Four-Year Degrees at EvCC

EvCC offers a bachelor of applied science degree in accounting. Everett University Center, coordinated by Washington State University-Everett, is located at EvCC's campus. The University Center offers bachelor's and master's degree programs through partner universities: WSU, University of Washington Bothell, Western Washington University and Eastern Washington University.

## Sports and Recreation

### Intercollegiate Athletics

EvCC has 11 athletic teams, including:

- Men's & Women's Basketball
- Men's and Women's Cross Country
- Men's and Women's Track and Field
- Men's and Women's Soccer
- Men's Baseball
- Women's Softball
- Women's Volleyball

EvCC has a 49,000-square-foot Student Fitness Center that has a gym with bleacher seating for 2,250, coordinated intramural activities, a cardio and free weight training room, a climbing wall and running track.

## Student Life

EvCC has around 30 student clubs, student leadership opportunities, student government, and a wide variety of events and activities, including live music, an art gallery, speakers and all-campus celebrations.

Natural Resource Technician

\*GHC offers certificates in many other Professional/Technical programs, as indicated in the matrix included in this book.

## Housing

No on-campus housing is offered at this time.

## Campus Visits

Phone: 360-532-9020

Website/Email: [admissions@ghc.edu](mailto:admissions@ghc.edu)

Tours are hosted monthly and drop-ins are welcome for parties of 15 or less. Check in at the Welcome Center.

## Student Life

At Grays Harbor College, we offer a variety of ways that students can be involved. Located in the new 3000 Building, the Office of Student Life provides events, trips, lectures, intramural sports, concerts, clubs, multicultural programs, leadership opportunities, and more.

The Associated Students of Grays Harbor College (ASGHC) works as a bridge between the students and the campus administration advocating for student-related issues on campus and at the state level. There are multiple opportunities to be involved as a student leader in roles like executive board member or senator.

Check out our website for more information:

[ghc.edu/studentlife](http://ghc.edu/studentlife)

## Sports and Recreation

GHC's collegiate athletic programs include:  
Men's - basketball, baseball, golf, and wrestling.  
Women's - basketball, softball, and wrestling.

Additional sports and recreation offerings include a fitness lab that is free for students, weight training, Esports, and hiking trails around Lake Swano.

## Student Profile

Fall 2022 headcount, all sources  
Total Enrollment: 13,356

## Diversity, Equity, & Inclusion

### **The Green River College Promise:**

We commit to be an anti-racist institution where all students, faculty, and staff receive the access, resources, and services needed to achieve their educational, career, and personal goals. Green River College makes social and economic justice, equity, and inclusion our highest priorities.

The Green River College definition of equity encompasses all identities, including but not limited to race, ethnicity, economic status, gender identity, sexual identity, disability, religion/spirituality, immigration status, age, and culture. We understand individual needs vary widely, and the effects of discrimination and historical oppression must be taken into account while aiming for equitable opportunities and outcomes for all.

Let this be a call to action to all members of the Green River College Community: everyone must contribute to this on-going effort to achieve equity for all.

## Program Intent

## Student Profile

Highline is the most diverse higher education institution in the state, with more than 75% students of color. Highline is designated as a Minority-Serving Institution by the U.S. Dept. of Education. Total Enrollment: 14,142  
Faculty/Student Ratio: 14-to-1

## Diversity, Equity, & Inclusion

Diversity, equity and inclusion are the foundational principles of Highline College. Our vision is to create anti-racist, equitable pathways in higher education to close opportunity gaps experienced by our students who have been historically disadvantaged and underrepresented in postsecondary education. We aim to support employees to foster the conditions for student and workplace equity, and accept people as they are while honoring the life experience they bring. Through cultivating a collaborative learning community that centers the well-being of the whole person, we seek to provide a sense of belonging. We highly regard the families and support systems that enable our success and acknowledge that by working together we are limitless.

North Seattle College  
9600 College Way North  
Seattle, WA 98103

NorthSeattle.edu

## Student Profile

Total Enrollment: 11,465  
Faculty/Student Ratio: 1:18.5

## Diversity, Equity, Inclusion, & Community

North Seattle College strives to improve student satisfaction, retention, completion, and job placement, as well as to narrow student performance gaps in partnership with faculty, staff and students. We firmly establish equity, diversity, and inclusion as a human right for all. We frame our decisions and actions with this lens and are accountable to the community.

## Program Intent

College/University Transfer: 2,245 (19.6%)  
Professional-technical: 1,721 (15.0%)

## Admission Requirements and Criteria

Orientation is strongly encouraged and, in some programs, it may be mandatory.

## General Eligibility

High school diploma or GED; 18 years of age

## Deadlines & Fees

Regular Application Deadline: none  
Priority Application Deadline: none  
Application Fee: free  
Application Fee Waiver: n/a

## Selective Admissions Programs

[NorthSeattle.edu/Academics/Bachelors-Degrees](http://NorthSeattle.edu/Academics/Bachelors-Degrees)

Applied Bachelor of Science degrees

- Accounting with International Accounting
- Application Development
- Early Childhood Education
- International Business
- Residential and Commercial Property Management

Bachelor of Science degree

- Computer Science

Applied Bachelor of Science degree deadlines and application fees vary.

## Degrees and Certificates

60+ Certificates and Associate of Applied Science Degrees

## Dual Credit Options

### Running Start

[NorthSeattle.edu/Running-Start](http://NorthSeattle.edu/Running-Start)

The Running Start program allows high school juniors or seniors to attend community college tuition-free within the state of Washington while completing their high school curriculum. College courses completed as part of Running Start provide credit both for the student's high school graduation requirements as well as their future college course requirements, giving them a head start on their college education.

### College in the High School

[NorthSeattle.edu/College-High-School](http://NorthSeattle.edu/College-High-School)

North Seattle College's program offers an alternative to Running Start in which capable high school students may take college level courses while remaining at their high school. Credits will appear on a North Seattle College transcript as well as on students' high school transcript.

## Estimated Annual Expenses

Tuition	\$4,622.65 (based on 15 credits upper division, resident) \$1,540.90 (based on 15 credits lower division, resident)
Books/Supplies	\$528.00
Fees	\$1,000.00
Total	\$6,150.65 (upper division, resident, 15 credits) \$3,068.90 (lower division, resident, 15 credits)

## Designed for Student Success

At North Seattle College, we're proud to be a caring, diverse, and supportive community. Our goal is to create a place where students from all races, ethnicities, abilities, genders, countries, and communities can succeed.

NSC is one of the top transfer colleges in the state, and our programs continually evolve to meet regional industry needs. In addition to associate degrees, the college offers six bachelor degree programs, and 60-plus professional-technical degrees and certificates that lead to competitive careers for our graduates.

NSC is easily accessible by bike, bus, car, and light rail. The campus is connected to the Northgate Link light rail station by the John Lewis Memorial Bridge (pedestrian and bicycle). Located in a residential area of Northgate, the college is close to Seattle's popular Greenlake Park.

The lush green campus is surrounded by environmentally sensitive wetlands, which have inspired a college-wide commitment to sustainability.

Olympic College  
1600 Chester Ave.  
Bremerton, WA 98337  
[www.Olympic.edu](http://www.Olympic.edu)

## Student Profile Fall 2023

Headcount: 5,880  
Full Time Equivalency (FTE): 4,539  
Faculty/Student Ratio: 13.38

## Diversity, Equity & Inclusion

At Olympic College, equity is realized when we:  
Prevent and remove barriers for groups of students with histories of exclusion, discrimination, and marginalization; Achieve equal educational outcomes for historically marginalized groups relative to their peers; Lead with racial equity to maximize student potential across all social identities, including race, ethnicity, socioeconomic status, sexual identity, gender identity, ability, age, national origin, citizenship, and religion; Maintain a culture of belonging that advances racial, social and economic justice in service to our diverse communities.

## Program Intent

- College/University Transfer: 3,758
- Professional-technical: 3,482
- Basic Education for Adults: 504
- Applied Bachelor Degrees: 219

## Accreditation

The Northwest Commission on Colleges and Universities accredits Olympic College.

## Admission Requirements and Criteria

## Student Profile

Total Enrollment: 14,171  
Faculty/Student Ratio: 33

## Diversity, Equity, & Inclusion

The Pierce College District is committed to being an anti-racist institution; to truly be anti-racist we must work deliberately to eliminate barriers that have prevented the most promising and capable students from entering and thriving in college. We work to ensure that every student in the Pierce College District feels valued, respected, and inspired to achieve their goals. We provide a brave space for Black, Indigenous, Persons of Color (BIPOC), LGBTQ/QTPOC, students with disabilities, and all students and staff to seek refuge, and an opportunity for them to cultivate their strengths, intelligence, resilience, and creativity.

## Program Intent

College/University Transfer: 56%  
Professional-technical: 40%

## Admission Requirements and Criteria

Pierce College has an open-door admissions policy,

practices equal opportunity. Pierce College District does not discriminate on the basis of race, color, creed, religion, national origin, sex, sexual orientation, age, gender, marital status, disability, or status as a disabled or Vietnam-era veteran.

Students may apply for admission to Pierce College if they meet any one of these criteria:

- Qualified for admission through Running Start or a similar program
- Are 18 years of age or older
- Their high school class has graduated
- They are a high school graduate or have earned a GED

Applying for admissions to Pierce College is as simple as completing an online admission form. For additional admissions information refer to <https://www.pierce.ctc.edu/get-started>.

## Selective Admissions Programs

Some programs, such as the Bachelor of Applied Science degrees, Veterinary Technology, and Nursing, have special admission requirements. See each program web page for details.

## Dual Credit Options

### Running Start

Through the Running Start program, high school students may enroll in up to 15 college-level credits (based on students' combined high school and college enrollment) per quarter tuition-free.

To be eligible, a student must:

- Be a junior or senior
- Eligibility for English 101 through Guided Self Placement

For more information on the steps to get started, please visit the Running Start website at [www.pierce.ctc.edu/running-start](http://www.pierce.ctc.edu/running-start).

## Estimated Annual Expenses

Tuition	\$5,265
Books/Supplies	\$1,000
Fees	\$ 600
Total	\$6,825

## Bachelor of Applied Science degrees

Dental Hygiene, Emergency

Management, Teaching, Business

Management, Fire Services Leadership and

Management, and Construction Management.

## Sports and Recreation

Raider Athletics participates in the highly competitive Northwest Athletic Conference (NWAC), which is composed of 36 regional members in Washington, Oregon, Idaho and British Columbia. The Raiders field teams for women in basketball, cross country, soccer, softball, and volleyball; and for men in baseball, basketball, and soccer. Pierce College Fort Steilacoom serves as home for the baseball, men's and women's basketball, women's cross country, and volleyball teams. Pierce College Puyallup is home to the men's and women's soccer and women's softball programs. Pierce College also provides opportunities for students to show their school spirit on the Raider Cheer Squad and Raider Mascot Team. Raider Athletics has a rich tradition of success, dating back to the program's inaugural season in 1968-69, when the college first participated in men's basketball. Raiders teams have won conference championships in softball (1982), soccer (1992), and baseball (2012). More info can be found at [www.PierceRaiders.com](http://www.PierceRaiders.com).

## Excellence in Student Success

Pierce College Fort Steilacoom was recognized by the prestigious Aspen Institute with a Rising Star award in 2019 for dramatically improving student

outcomes. This award placed Pierce College in the top five best community colleges in the nation, and in 2021 the college was recognized as a top 10 finalist. In 2022, Pierce was named one of 25 Semifinalists competing for the 2023 Aspen Prize. Pierce received the honors thanks to improved student retention and completion over time, a commitment to equitable outcomes for students, service to military students and their families, and a dedicated focus on helping all students overcome obstacles.

Pierce College was also named a Leader College of Distinction in 2019 by Achieving the Dream.

## Student Life

Pierce offers a variety of clubs and activities. In addition, Pierce has chapters of Phi Theta Kappa, the national honors society for two-year colleges. The Fort Steilacoom campus features the 58-seat Science Dome, the only digital planetarium of its kind in the South Puget Sound region. The Science Dome offers live astronomy presentations, full dome videos on a 38-foot domed screen, interactive children's shows, K-12 field trip, Pierce College class instruction, special events and more.

# Renton Technical College

3000 NE 4<sup>th</sup> Street  
Renton, WA 98056

[rtc.edu](http://rtc.edu)

## Student Profile

Total Enrollment: 7,500  
Faculty/Student Ratio: 17:1

## Diversity, Equity, & Inclusion

Renton Technical College centers equity in its goals to make the college the place where all students find their place, as outlined in our 2024-2029 Strategic Equity Plan. Leading with racial equity, RTC pursues diversity, equity, and inclusion for all students, faculty, and staff. Through shared accountability, we collectively work to identify and dismantle institutional barriers to create and sustain a thriving and just community. Our student population is 70 % students of color.

# Seattle Central College

Main Campus on Capitol Hill  
Seattle Central College  
1701 Broadway  
Seattle, WA 98122

Satellite Locations: Seattle Maritime Academy,  
Wood Technology Center, and the Health  
Education Center

[seattlecentral.edu](http://seattlecentral.edu)

## Student Profile

Total Enrollment: 11,073  
Faculty/Student Ratio: 1:17.7

## Diversity, Equity, & Inclusion

The goal of the Office of Equity, Diversity, Inclusion, and Community at Seattle Central is to create a Beloved Community by centering the people most impacted by systemic inequities. We do this by:

- building and maintaining positive relationships with our campus and community partners for the support and success of the students we serve
- intentionally listening to students and their needs by being responsive to their requests and feedback
- continuously encouraging faculty, staff, and students to grow the collective effort to address bias, bigotry, and discrimination in all forms at Seattle Central College

## Program Intent

College/University Transfer: 38%  
Professional-technical: 23%  
Basic Skills/Other: 40%

## Admission Requirements and Criteria

### General Eligibility

Seattle Central offers free and open admission to students who will be a high school graduate and/or over

the age of 18 by the time they plan to begin classes. Special arrangements can be made for qualifying students under age 18.

### Deadlines & Fees

Regular Application Deadline: Ongoing  
Priority Application Deadline: Not applicable  
Application Fee: No fee for general application

### Selective Admissions Programs

Some Professional/Technical programs have selective admissions, entry requirements and/or application deadlines. Visit the program website for more information.

### Dual Credit Options

#### Running Start

This program gives students a “running start” on college-level coursework. Completed courses count twice – once toward fulfillment of high school graduation requirements, and again for college credit. More information: [seattlecentral.edu/running-start](http://seattlecentral.edu/running-start)

#### Other High School Programs

Seattle Central currently offers CTE dual credit and other programs to help high school students start earning college credit while in high school. More information: [seattlecentral.edu/programs/high-school](http://seattlecentral.edu/programs/high-school)

#### I-BEST (Integrated Basic Education and Skills Training)

This program helps students at the basic skills level enroll in college-level programs so they can earn certificates in high-demand industries. Classes teach basic and workforce skills at the same time. More information: [seattlecentral.edu/i-best](http://seattlecentral.edu/i-best)

### Estimated Annual Expenses

Seattle Central	w/parents	w/o parents
Tuition/Fees	\$5,058	\$5,058
Room and Board	\$7,994	\$17,952
Books/Supplies	\$702	\$702
Total	\$13,754	\$23,712

Baccalaureate Tuition/Fees: \$7,743  
Non-Resident Tuition/Fees: \$5,550

## Programs

### College Transfer

Students can take their first two years of college in smaller classes and then, students can transfer their credits to a four-year college or university to finish their bachelor's degree.

### Professional/Technical

Seattle Central offers a variety of career preparation, short-term certificate, associate degree, and applied bachelor's degree programs to help students launch successful careers including:

### Business Technology Management

Business Process Management, Business Intelligence, Office Management, Accounting Assistant, User Support, Applied Accounting and Entrepreneurship

### Creative Arts

Graphic Design, Apparel Design and Visual Media

### Culinary

Culinary Arts and Specialty Desserts & Breads

### Healthcare

**Dental Hygiene, Respiratory Care, Community Health & Education, Healthcare Services Management,** Nursing, Surgical Technology & other Allied Health fields

### Information Technology

**IT-Networking,** Web Design, Web Development, Programming, Database Administration and more

### Maritime

Marine Engineering Technology and Marine Deck Technology

### Education & Human Services

**Applied Behavioral Science,** Chemical Dependency, Early Childhood Education & Family Studies, **Teaching,** and Social & Human Services

### Wood Technology

Carpentry and Boat Building & Repair

\*Bachelor's of Applied Science degrees bolded.

## Basic Studies

These programs help students who are not quite ready for college-level classes including: Adult Basic Education, I-BEST, GED, High School Completion, High School 21+ and ESL.

## Housing

Housing is available for international students located across the street from main campus.

## Student Life

### Student Support Services

Tutoring, advising, counseling, multicultural services, veterans services, and women's programs. Workforce Services, Umoja, AANAPISI, TRiO, MESA, College Success Program, and other programs also support qualifying students throughout their time at Seattle Central.

### Student Clubs/Organizations

Seattle Central currently has over 50 active clubs, including: Glee Club, Public Speaking Club, Black Student Union, Chinese Club, Student Veterans Association and many more.

### Campus Events

Throughout the year, the campus hosts a variety of events, with many planned and produced by students, including concerts, an annual Unity Fair, art events, panel discussions and more.

### Campus Visits

Phone: 206.934.3800

Website: [seattlecentral.edu/get-started/visit-campus](http://seattlecentral.edu/get-started/visit-campus)

## Sports and Recreation

Seattle Central has a full-service fitness center featuring basketball courts, free weights, cardio machines, pool tables and more. Several student clubs cater to those interested in sports.

# Shoreline Community College

---

Shoreline Community College  
16101 Greenwood Avenue North  
Shoreline, WA 98133-5696  
[www.shoreline.edu](http://www.shoreline.edu)

## Student Profile

Total Enrollment: 8,000 annually/4,000 quarterly  
Faculty/Student Ratio: 19:1

## Equity Statement

Shoreline Community College is committed to establishing a truly inclusive community, and we recognize the profound significance of striving toward equity in education. Equity work compels us to lead from an anti-racist framework, fostering a more supportive and fairer environment. This approach in centering anti-racism benefits all members of the community regardless of their background, as doing so seeks to remove barriers for everyone.

Shoreline Community College recognizes that historical and current structural barriers, deeply rooted in racism and inequality, have long hindered the success of students from underserved backgrounds. We are also dedicated to continuously acknowledging the diversity of our community and the intersections of our physical and mental abilities and our identities which include but are not limited to racial, economic, sexual, and linguistic backgrounds. Our dedication extends to breaking down any barriers that may adversely affect our community members because of any marginalized intersectionality.

We acknowledge that our journey toward equity is ongoing. We embrace the challenge of supporting each other toward becoming an equity-intentional institution by leveraging measurable outcomes from the Equity Centered Strategic Plan to create a culture that fosters retention and reduces opportunity gaps in student success. This approach

intentionally aligns our vision with that of the State Board of Community and Technical Colleges.

Our approach towards equity is dynamic, evolving with the needs of our diverse campus, including students, faculty, and staff. We understand that to truly embrace anti-racist principles, our actions must be bold and transformative. We commit to not just speaking about diversity, equity, inclusion, and accessibility, but to living these values through decisive and impactful actions. Our dedication goes beyond mere acknowledgment of inequities in our current structure; we are committed to being a catalyst for radical change and holding ourselves accountable.

## Sports and Recreation

SPSCC Clipper Athletics compete in the Northwest Athletic Conference Western Region for:

- Men's & Women's Basketball
- Men's & Women's Golf
- Men's & Women's Soccer
- Women's Volleyball

The Clipper Athletics programs at SPSCC provide opportunities for student-athletes to participate in highly skilled, competitive intercollegiate sports. These programs greatly contribute to the academic success of our student-athletes while giving them an opportunity

to play sports during their first two years of college.

[spsccathletics.com](https://spsccathletics.com)

Students also have the opportunity to get involved in a variety of clubs, intramural sports, and eSports. Clipper eSports allows student-athletes an opportunity to get involved in the world of competitive gaming and helps develop professional pathways through education, coaching, and practice.

[spscc.edu/campus-life/activities](https://spscc.edu/campus-life/activities)

## Aspen Prize Finalist

In 2023 and 2025, SPSCC was named one of ten finalists for the Aspen Prize for Community College Excellence. Awarded every two years, the Aspen Prize honors colleges that show outstanding performance in teaching and learning, certificate and degree completion, transfer and bachelor's attainment, workforce success, equitable access, and equitable outcomes for students of color and students from low-income backgrounds. SPSCC was specifically recognized for streamlining the path to earning a degree and our focus on improving access to college by reaching out to Native American communities and expanding offerings in rural areas.

## Evening & Weekend Nursing Program

SPSCC launched the Evening & Weekend Nursing program in July 2024 in response to the high demand for nursing education in the region. The program spans six quarters over two years with classes offered during the Summer, Fall, and Winter Quarters. The unique structure of the program includes evening classes running from 6 to 8 p.m. on weekdays, along with weekend classes, clinicals, and other essential components.

## New Bachelor of Science Degree

In partnership with Grays Harbor College, SPSCC will offer a Bachelor of Science degree in Computer Science (BS in CS) beginning in Fall 2024. The program is designed for students who have completed an approved associate-level degree from SPSCC or another accredited institution. It will be offered in an evening and weekend format, which can be completed in two years (six quarters), and students will have the option to start in Fall or Winter Quarter.

## Diversity, Equity, & Inclusion

As an educational institution, we have an obligation to ensure that we create safe spaces for authentic and difficult conversations to take place. Such conversations likely won't feel comfortable, and frankly they shouldn't. Each of us should, at the very least, feel uncomfortable with the inequality that penetrates all aspects of our society, and we must be willing to speak out against injustice.

It is obvious that considerable work needs to be done to achieve racial equity and justice, and DEGA is committed to moving the SCC community forward with deliberate actions and thoughtful conversations, which will contribute to positive change within our culture.

- 3,739 excluding Corrections Education

**Student/Faculty Ratio:** 15.9 to 1

## Diversity, Equity, Inclusion & Belonging

We strive to achieve equity for students and for all members of the communities we serve. We are committed to dismantling or overcoming barriers that separate people from opportunities. Such barriers include, but are not limited to socioeconomic status, race, ethnicity, national origin, age, gender expression/identity, sexual orientation, belief system, physical/mental abilities, and experience with the educational system.

Visit <https://bit.ly/WWCCQuickFacts> for campus enrollment details.

## Program Intent\*

- College/University Transfer: 24%
- Professional-technical: 40%
- Basic Skills: 10%
- Other: 27%

\*Excludes Corrections Education

## Admission Requirements and Criteria

### **General Eligibility**

Walla Walla Community College is an open-access higher education institution. All qualified individuals are accepted who are at least 18 years of age or are graduates of an accredited high school or have an equivalent certificate. Applicants under the age of 18 at the time of registration who are not high school graduates must complete the Under-Age Admission Policy paperwork or be participating in a program designed for high school students.

## **Deadlines & Fees**

Regular Application Deadline: Open Enrollment  
Priority Application Deadline: Program Dependent  
Application Fee: \$0

Visit <https://www.wwcc.edu/apply-now/> for more information.

## **Selective Admissions Programs**

Some programs have specific admission procedures (Nursing, CDL, John Deere, HSS, and BAS degrees), while others have limited space (Welding, EST); therefore, admission to the College does not guarantee availability of all programs or courses. Please review special admission procedures for workforce programs under entrance requirements for the specific program of interest found at <https://www.wwcc.edu/academics/educational-pathways/>

## Dual Credit Options

Dual Credit website:

<https://www.wwcc.edu/academics/dual-credit/>

## **Running Start**

Running Start, a program created by the Washington State Legislature, provides an opportunity for juniors and seniors in public high schools to enroll in courses at WWCC. This program provides academically qualified students an opportunity to attend college courses and earn college credits, tuition-free, while completing high school graduation requirements. Additional information: <https://www.wwcc.edu/high-school/running-start/>.

## **College in the High School**

CiHS classes are taught by qualified, credentialed instructors on the local high school campus. Courses usually run one trimester/semester but may last a full academic year. Students attend their college class as part of their normal high school schedule while continuing to enjoy access to their own teachers, counselors, friends, and extracurricular clubs & sports. Additional information: <https://www.wwcc.edu/high-school/cihs/>

## CTE Dual Credit

CTE Dual Credit is a cooperative effort between K-12 schools, community and technical colleges, and the business community to develop applied integrated academic and technical programs. Additional information: <https://www.wvcc.edu/high-school/cte-dual-credit/>

## Estimated Annual Expenses

Tuition and Fees*	\$5279
Rent/Utilities/Food	\$8928
Books/Supplies	\$528
Transportation	\$2676
Misc./Personal	\$1848
Total	\$19,259

\*In state, dependent student

## Financial Aid

- Phone: 509.527.4301
- Website: <https://www.wvcc.edu/paying-for-college/financial-aid/>
- Scholarship Website: <https://foundation.wvcc.edu/scholarships/>

WVCC offers financial aid in the form of grants, loans, scholarships and employment. All students are encouraged to complete the easy process to apply for scholarships.

Through our Warrior Pledge, WVCC commits to identifying and securing the funds to cover remaining tuition and fees for all students who qualify for federal or state financial aid.

## FAFSA Priority Deadlines

- **Fall** - May 1, 2024
- **Winter** - October 1, 2024
- **Spring** - January 1, 2025
- **Summer\*** - March 1, 2025

\*Summer 2025 begins a new Aid Year and requires the 25-26 FAFSA to be completed

## Campus Visits

WVCC provides personalized campus tours customized to your interests. Discover areas of the campus that matter to you, with the possibility of meeting faculty and exploring spaces relevant to your career and educational goals.

- WW Campus Phone: 509.522.2500
- Clarkston Campus Phone: 509.758.3339
- Website: <https://www.wvcc.edu/visit/>
- Self-guided Virtual Tour: [https://wvcc.college-tour.com/?pk\\_campaign=maps-directions](https://wvcc.college-tour.com/?pk_campaign=maps-directions)

## Sports and Recreation

Walla Walla Community College offers a wide variety of athletic opportunities for prospective student athletes. In the Fall, Warrior Field on the front of campus hosts Men's and Women's Soccer, while Volleyball takes center stage in the Dietrich Center – often referred to as 'The Dome'. The Winter quarter sees The Dome taken over by the Men's and Women's Basketball while the Spring months offer Baseball, Softball, Men's and Women's Golf and Rodeo. The Warriors play in the Northwest Athletic Conference (NWAC) – the largest independent association of community colleges in the country.

WVCC students also have access to a new 18,800 square-foot recreation center with an indoor basketball court and state-of-the-art weight and fitness equipment. Learn more: <https://www.wvcc.edu/student-life/student-rec-center/>.

Students can participate in a variety of college events and activities. The areas around both Walla Walla and Clarkston also offer a large number of opportunities for entertainment and outdoor activities. Visit <https://www.wvcc.edu/student-life/around-town/> for more information

## Student Profile

Total Enrollment: 7,485  
Faculty/Student Ratio: 16:1

## Diversity, Equity, & Inclusion

Whatcom Community College is committed to maintaining an environment in which every member of the College community feels welcome to participate in the life of the College, free from harassment and discrimination. We welcome people of all races, ethnicity, national origins, religions, ages, genders, sexual orientations, marital status, veteran status, abilities, and disabilities. Toward that end, faculty, students, and staff will:

- Treat one another with respect and dignity.
- Promote a learning and working community that ensures social justice, understanding, civility and non-violence in a safe and supportive climate.
- Influence curriculum, teaching strategies, student services and personnel practices that facilitate sensitivity and openness to diverse ideas, peoples, and cultures in a creative, safe, and collegial environment.

# Yakima Valley College

---

S. 16<sup>th</sup> Avenue & Nob Hill Blvd  
PO Box 22520  
Yakima, WA 98907-2520

[yvcc.edu](http://yvcc.edu)

## Student Profile

Total Enrollment: 3,523  
Faculty/Student Ratio: 14:1

## Diversity, Equity, & Inclusion

We believe students, regardless of their starting point and demographic, have the right to an education that fosters liberation, empowerment, and economic mobility. YVC continuously examines the processes of the institution to meet the needs of racialized and minoritized people in our community, including Latinx, Native American/Indigenous, Black, Asian and Pacific Islander, LGBTQIA+, undocumented students, and people with disabilities. As a Hispanic Serving Institution in the pursuit of equity, YVC is committed to implementing evidence-based inclusionary policies and practices and to establishing and monitoring equity accountability measures.

[yvcc.edu/oie/quick-facts](http://yvcc.edu/oie/quick-facts)

## Program Intent

College/University Transfer: 74%  
Professional-technical: 26%

## Admission Requirements and Criteria

### General Eligibility

Yakima Valley College (YVC) is committed to an open-door policy and encourages the use of its post-secondary educational opportunities and services by the whole community. All community members, whether or not they possess a high school diploma, may enroll at the college without regard for their past educational record. More information is available at: [yvcc.edu/admissions](http://yvcc.edu/admissions)

## Deadlines & Fees

Regular Application Deadline:

- Fall 2024 – August 13 (Quarter Begins 9/23/24)
- Winter 2025 – November 25 (Quarter Begins 1/6/25)
- Spring 2025 – February 18 (Quarter Begins 4/1/25)

Priority Application Deadline: No Admissions Priority Deadline

Application Fee: \$30

Application Fee Waiver: None

Other Fees: Additional fees include audit fees, lab fees (depending on the class), combined service fees, technology use fee, eLearning fee, graduation application fee, and student activity fee. More information is available at:

[yvcc.edu/tuition](http://yvcc.edu/tuition)

## Selective Admissions Programs

Professional/technical programs with selective admission processes include Bachelor of Applied Science programs (Agricultural Sciences, Business Management, Dental Hygiene, IT Network System Administration, and Teacher Education), along with Medical Interpreter, Nursing, Pharmacy Technician, Phlebotomy, Radiologic Sciences, Sterile Processing Technician, Surgical Technology, and Veterinary Technology.

The following programs also have requirements in addition to the regular application process: International Student Program, Running Start, Career & Technical Education Dual Credit, YV-TECH, and Underage Student Admission. Additional information may be found at:

[yvcc.edu/admissions](http://yvcc.edu/admissions)

## Dual Credit Options

### Running Start

The Running Start Program is a partnership between YVC and Washington State public high schools. The program offers eligible high school juniors and seniors the opportunity to enroll in regular college classes on

our campus and to receive both high school and college credit for those classes. Additional information is available at:

[yvcc.edu/runningstart](http://yvcc.edu/runningstart)

### College in the High School

Career & Technical Education (CTE) Dual Credit provides career pathways for high school students. CTE Dual Credit classes are taught at the high school or skills center and integrate academics with technical development to help prepare students for advanced education and careers related to professional/technical occupations. Additional information and a list of participating high schools available at:

[yvcc.edu/academics/dual-credit](http://yvcc.edu/academics/dual-credit)

### Estimated Annual Expenses

Tuition & fees	\$5,313
Housing, food & living expenses	\$11,982
Books, course materials & supplies	\$528
Total	\$17,823

### Financial Aid

Phone: 509.574.6855

Website: [yvcc.edu/financialaid](http://yvcc.edu/financialaid)

Scholarship Website: [yvcc.edu/scholarships](http://yvcc.edu/scholarships)

### FAFSA Deadlines

YVC recommends applying for financial aid at least 4-6 weeks prior to the start of each quarter to allow for processing. YVC accepts applications for financial aid throughout the year.

#### Autumn/Fall

Priority Filing Date: Early August

#### Winter

Priority Filing Date: Early November

#### Spring

Priority Filing Date: Early February

#### Summer

Priority Filing Date: Early May

### Housing

The Student Residence Center (SRC) provides a safe living community for students at a competitive price. The residence hall is located on the Yakima Campus and is within a short walking distance to classes, the library, and other campus and recreational facilities. Single and double units available. More information is available at [yvcc.edu/housing](http://yvcc.edu/housing)

### Campus Visits

Phone: 509.574.4712

Website/Email: [admission@yvcc.edu](mailto:admission@yvcc.edu)

Call or email to schedule a campus tour. YVC also offers a virtual tour of its Yakima and Grandview campuses. View the virtual tour at: [yvcc.edu/tour](http://yvcc.edu/tour)

### Sports and Recreation

Yakima Valley College has successfully competed in intercollegiate athletics since 1928. YVC has traditionally offered a comprehensive athletic program to accommodate the special interests and talents of as many students as possible. Women's and men's sports programs, providing competitive athletic experiences to coincide with the student's academic experiences, are an important part of the YVC experience.

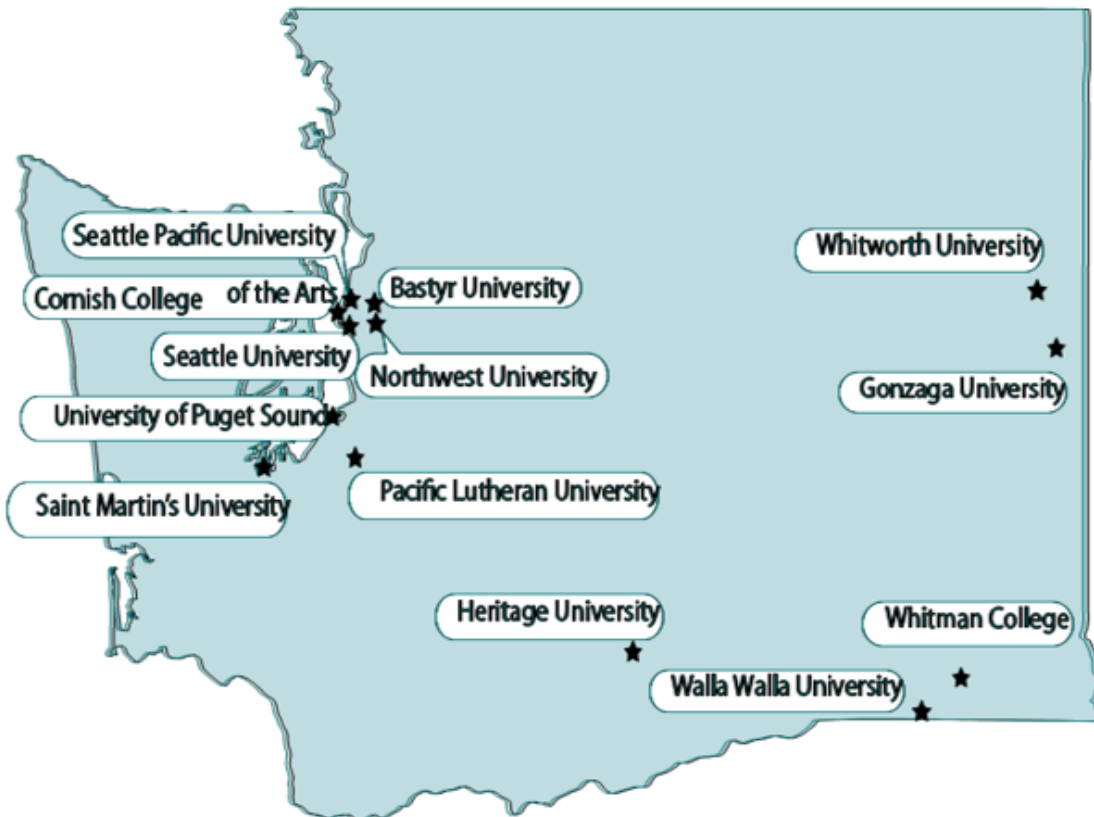

YVC is a member of the Northwest Athletic Conference (NWAC). Intercollegiate athletic programs are offered in men's baseball and basketball and in women's basketball, softball, volleyball and soccer. More information is available at: [goyaks.com](http://goyaks.com)

All YVC students also have access to a state-of-the-art Fitness Center on campus with more than 50 pieces of major equipment to pursue their health and wellness goals.

# Cornish College of the Arts

**Location:** Seattle, WA

**Type:** Independent Private

**Majors: Visual Arts:** Art, Design, Film, Interior Architecture **Performing Arts:** Music, Dance, Theater, Performance Production

**Class size average:** 13      **Retention:** 82%

## Diversity, Equity, & Inclusion:

Cornish College of the Arts is enriched by a diverse population of students, bringing their unique personalities and voices to their art forms. Cornish commits to demonstrating respect for individual expression and integrity; to promoting the equality of opportunity and rights of all persons within the community and to actively encouraging and maintaining the representation and inclusion of diverse cultures and backgrounds within the student body, faculty, staff and curricula.

We believe that diversity refers to a number of human qualities and characteristics. National origin, race, gender, age, socioeconomic background, religion, sexual orientation and disabilities are characteristics that combine in unique ways, forming the multiple identities we all hold. Those diverse characteristics contribute positively to the environment of Cornish and to an education that accurately reflects and contributes to the complex interplay of art, culture and society.

We hold ourselves responsible to fulfill the mission of Cornish by preparing students “to contribute to society as artists, citizens, and innovators,” and believe that the mission is best served by actively cultivating a positive environment in which to explore and express the diverse perspectives of a pluralistic society.

**Performance Production** - costume, scenic, lighting design, technical direction, stage management

### **Why Cornish?**

**Seattle** - Seattle is an amazing city for young emerging artists. Just the right size to see the great work of professionals and be seen as an artist with new ideas to share.

**Faculty** - Faculty are world-class working professional artists. They are actively involved in the Seattle arts community and beyond. Teachers, artists, mentors - they help you bridge the gap from student to professional.

**Students** - Your peer group is here! You will be surrounded by serious, practicing artists 24/7. Faculty, classmates, staff - are all part of the community. It is a supportive, nurturing environment in which to take risks with your art making.

**Creative Vision** - At Cornish, we place great emphasis on developing each distinct vision. Students are encouraged to push the boundaries, take risks, and are supported to do so. The primary focus is on generating new work, versus just recreating established works.

**Graduation Rate (4 yr):** 74%

**Diversity, Equity, & Inclusion:** As a Catholic, Jesuit, humanistic university, our mission calls us to demonstrate dignity for all, to ensure justice for those who are most often marginalized or silenced. Our work has grown in intensity as our commitment to diversity, equity and inclusion has deepened, but we recognize how much further our efforts must go. Our faculty members are engaging more in conversations about how to support BIPOC students better in our learning environments, Student Affairs teams seek to amplify the voices of BIPOC students, and our Office of Inclusive Excellence has implemented bias and diversity training for all University community members. We have always channeled our efforts in service for the greater good, which is our unifying strength. For more details, please see: [gonzaga.edu/diversity](https://gonzaga.edu/diversity)

## **Additional Information**

---

### **Test Optional for First-Year Applicants**

Gonzaga University does not require an SAT or ACT. Students applying without a test have the same access to everything: admission, automatic merit scholarships, special scholarships, Honors, and direct admission to nursing. No additional information is required.

---

### **Early-Action Admissions**

Gonzaga is updating our admission deadlines for Fall 2025. We will offer Early Action (November 15) and Regular Decision deadlines (February 1). Please see our Dates & Deadlines page for additional information. Nursing applicants must apply for Early Action to be considered for the program. All nursing applicants who apply after November 15 will be considered for our nursing waitlist.

---

### **Changes to the FAFSA**

The FAFSA Simplification process during the 2023-2024 academic year resulted in unanticipated delays for the FAFSA. It is possible that there may be additional FAFSA delays during the 2024-2025 academic year, as well. Gonzaga is here to help. Please submit a FAFSA as soon as it is available during the 2024-2025 academic year and contact Gonzaga's Financial Aid Office if you have any questions surrounding the FAFSA or your financial aid. We were able to successfully support students through the delays last year and are committed to supporting students again this year.

Gonzaga's Financial Aid Office can be contacted by emailing [finaid@gonzaga.edu](mailto:finaid@gonzaga.edu), by calling 509-313-6582, or by meeting in person during a visit to campus.

---

### **Unity Scholars Program**

Gonzaga's Leadership, Equity, Access & Diversity Program covers the cost of tuition, fees, housing, and meal plan charges for selected Washington state residents. Learn about dates, deadlines, eligibility, and more: [gonzaga.edu/unityscholars](http://gonzaga.edu/unityscholars)

---

### **Meeting the Needs of Pell-Eligible Students – Gonzaga Access Pledge (GAP), Full-Tuition Commitment**

Gonzaga continues to work to meet the financial need of all Pell-eligible students in Washington state by providing grant & scholarship aid to cover the cost of tuition for first-year students: [gonzaga.edu/scholarships](http://gonzaga.edu/scholarships)

---

### **Connect with Gonzaga / On Campus & Virtual Options**

[Gonzaga.edu/virtualgonzaga](http://Gonzaga.edu/virtualgonzaga) offers Virtual Information Sessions, meetings with Admission Counselors, Specialized Webinars, and more. On Campus offerings can be found at: [gonzaga.edu/visitgu](http://gonzaga.edu/visitgu). If you have questions or would like a Gonzaga representative to provide information or a presentation to your students, please reach out to the representative for your school: [gonzaga.edu/mycounselor](http://gonzaga.edu/mycounselor)

### **What Makes HU Unique-** Heritage

University empowers a multi-cultural and inclusive student body to overcome the social, cultural, economic, and geographic barriers that limit access to higher education. Rooted in the homeland of the Yakama Nation, the University embraces transformational student-centered education that cultivates leadership and a commitment to the promotion of a more just society.

**Strength In Smaller Numbers-** Small class sizes. Affordable undergrad and graduate programs. Multiple campuses throughout the community. These are just a few examples of why Heritage is the right university for you.

**Student Life-** We believe in empowering our students with campus life resources and opportunities to support their personal and professional goals. Heritage provides a well-balanced student experience by offering a variety of extracurricular and co-curricular activities that serve as leadership and professional development opportunities, and for a chance to form lifelong connections. Be a part of the campus community and discover all the ways you can be involved at Heritage!

**Start Unstoppable You:** Heritage University invites you on a journey to academic and professional success! We offer a wide variety of different undergraduate degrees:

- Nursing
- Social Work
- Education
- Criminal Justice
- Business Administration
- Plus, many more!

**Diversity-** Heritage is the only private university in the state to be designated by the U.S. Department of Education as a Hispanic Serving Institution (HSI). Additionally, with its percentage of Native American students, it is also designated as Native American Serving Non-Tribal Institution (NASNTI). Heritage is one of only two universities in the country to be designated as both a HSI and a NASNTI. The broad diversity found at Heritage is an asset to all students as this exposure to different ethnicities and cultures helps them succeed in a multicultural workforce.

**Financial Aid-**For the vast majority of Heritage University students, a college education would be unobtainable without financial aid support. Through its equity packaging of grants and scholarships, Heritage is able to provide that support to every student with a demonstrated need.

- 97% of Heritage students receive financial aid.
- \$18,731 is the average combined financial aid and scholarship award for first-year freshmen.
- \$4 million in scholarships and Institutional aid is awarded annually by Heritage.

Because Heritage is a private institution, it relies heavily on the generosity of donors. The university works with donors to create endowed and named scholarships and to build awarding criteria to match their individual funding goals.

# Northwest University

**Location:** Kirkland, WA

**Type:** Independent, Four-Year, Private, Christian

**Majors:** 60     **Faculty:** 60

**Class size average:** 15

**Retention:** 73.3%

**Graduation:** 59.5%

**Diversity, Equity, & Inclusion:** Northwest University attracts serious students who perform well academically, while also attracting a diverse student body that tends to mirror closely the population of Washington. Northwest works purposefully to recruit a diverse student body through cultivating relationships with churches from minority populations.

Visit Scholarships are up to \$1000.

### Housing

NU offers residence halls, student apartments, and family housing on campus.

### Athletics

The Eagles compete in 4 men's and 6 women's sports as a member of the Cascade Collegiate Conference in the NAIA. Learn more at [www.nueagles.com](http://www.nueagles.com).

### Unique Opportunities

- All majors are integrated with internships and real-world experiences.
- Career Readiness initiative to equip students with competencies and certificates for preparation in the workplace.
- NU majors optional offer cross-cultural learning experiences through study abroad and departmental trips.
- NU students have access to many service-learning opportunities and mission trips during the year and throughout breaks.
- Students participate in chapel services twice per week and Biblical studies courses are included in the core curriculum.

### Notable Programs

- NU's Music Production offers practical experience in our prestigious on-site recording arts studio, the largest live sound stage north of Los Angeles.
- NU is offering a MS in Physician Assistant Studies in 2024.

**Contact:** [plu.edu](http://plu.edu) 253.535.7151 [admission@plu.edu](mailto:admission@plu.edu)

**PLU SAT/ACT codes:** SAT 4597, ACT 4470 **REMINDER: PLU is TEST NOT REQUIRED**

**Deadline:** Rolling Admission (see below for guidelines)

**Decisions/notification:** Priority Reading Dates of October 15<sup>th</sup>, November 15<sup>th</sup>, December 15<sup>th</sup> and January 15<sup>th</sup>; Notification within 3-4 weeks of receiving a complete application

**Application fee:** FREE!

**Application fee waiver:** You don't need one. It is free for everyone!

### General admission information and application:

Applications are reviewed on an individual basis with consideration for GPA, course selection, and essay. We are now recommendation optional.

We are also working with school districts on our [Automatic Admission Partnership](#). Email Melody Ferguson ([mferguson@plu.edu](mailto:mferguson@plu.edu)) if your school or district is interested. More info here: [www.plu.edu/admission/aapinfo/](http://www.plu.edu/admission/aapinfo/)

### Selective Program Admission

Direct Admission to Nursing: Complete an application to PLU by January 15<sup>th</sup>. No separate application needed.

International Honors (IHON) Program: Complete an application to PLU and an application to IHON by February 1<sup>st</sup>

## Financial Aid and Deadlines

**Contact:** [plu.edu/sfs](http://plu.edu/sfs) 253.535.7134 [sfs@plu.edu](mailto:sfs@plu.edu)

**FAFSA priority filing date:** December 1<sup>st</sup> (although, this is really just a guideline)

**PLU school code:** 003785

## Additional Information

PLU is the small, private university where caring means more than kindness and consideration - it means a bold commitment to expanding well-being, opportunity, and justice. Our students aren't afraid to do things differently to leave the world better than they found it.

We are a community of seekers, trailblazers, creators, and reformers who know that we can accomplish more together than apart. The PLU experience allows your ambition to blossom into purpose, your skills to sharpen into tools, and your caring to become a transformative force.

### Diversity, Equity & Inclusion

[plu.edu/diversity-inclusion/](http://plu.edu/diversity-inclusion/)

At PLU, diversity is intrinsic to the vitality of learning, resilience and growth. Thus, we will:

- Be responsive to how intersections and context impact how power is experienced
- Act upon the fact that diversity and inclusion efforts must address and account for all differences born out of power and oppression
- Collectively reimagine models and practices to create inclusive environments where all members of the PLU community can learn, live, work and — most importantly — thrive.

### Campus Visits/Tours - [plu.edu/visit](http://plu.edu/visit)

Seniors will qualify for a *visit scholarship* if they attend an admission sponsored tour or event on-campus.

### Dual Credit/College Level Credit Policy

PLU will NOW award credit for a 3, 4 or 5 on AP exams to earn college credit, we award up to 30 credits for completion of an IB Diploma and we do accept transferrable Running Start credit.

[plu.edu/admission/advanced-credit](http://plu.edu/admission/advanced-credit)

Running Start Information Page:

[plu.edu/admission-first-year/apply/running-start-students/](http://plu.edu/admission-first-year/apply/running-start-students/)

### Scholarships/Financial Aid

[plu.edu/admission/scholarships](http://plu.edu/admission/scholarships)

- 100% of students receive financial aid from PLU.
- **FIXED TUITION GUARANTEE** - ensures that the cost of tuition will be locked in from a student's first day until their graduation day.
- **Academic Merit Scholarships** - \$6,000-\$32,000
- **PLU Presidential Scholarship** - \$34,000-full tuition (Separate application that is due December 1<sup>st</sup>)
- **Artistic Achievement Scholarships** in Art, Music, Theatre, Dance - \$1,000+ per year
- **253 PLU Bound Scholarship** – Full Tuition (3.3 or higher weighted GPA and a recipient of the WA State College Bound scholarship). Students will also receive an additional \$1,000 Scholarship and \$1,500 Grant.
- **Nurse and Educator Dependent Commitment** – If a student's parent/guardian is a nurse or k-12 educator they get at least 50% off tuition.

### Athletics & Recreations – [golutes.com](http://golutes.com)

PLU has 18 varsity NCAA DIII athletic teams and 3 club sports (men's lacrosse, men's rowing, wrestling, and ultimate Frisbee) along with intramural and rec programs.

Women's Lacrosse has been added as a varsity NCAA sport for Fall 2024.

### New & Notable Majors – [plu.edu/majors](http://plu.edu/majors)

PLU has over 90 programs of study, including:

- Criminal Justice
- Data Science
- Gender, Sexuality & Race Studies
- Theatre AND Musical Theatre (BFA or BA)
- Business - Direct admission
- Communication (including film and media)
- Education – Direct admission
- Music (BA, BME or BFA)
- 3-2 Engineering/Engineering & Industry Minor
- Computer Science – Direct admission
- Biology
- Nursing – Direct admission
- Environmental Studies
- Kinesiology
- Pre-Professional Health Programs (Pre-Med)
- Pre-Law – Advising and a Minor

### Global Education & Study Away

- PLU was the first American University to have study away classes on all 7 continents at the same time.
- 1 of only 22 US colleges to receive the highest level of accreditation from The Forum on Education Abroad
- We are on a 4-1-4 calendar system. J-Term (January Term) allows our students one extra chance to study away.
- Our IHON Program allows students to enroll at Oxford University for 4-6 months.
- Top 20 nationally for highest percentage of students who study abroad

### Housing

8 residence halls and 1 apartment-style living community. Including some Opt-In Themed Learning Communities:

- Creative Expression
- First in the Family
- Student of Color
- Environmental & Social Justice
- International Hall – Languages & Honors Program
- Lavender Community (GBLTQ+ students and allies)
- STEM House
- Wellness House
- Women's Empowerment & Gender Equity

On-Campus housing is generally required for a student's freshman and sophomore years.

**Location:** Lacey, WA

## **Additional Information**

---

### **Saint Martin's at a Glance**

- Percentage of ethnically diverse students on campus: 59%
- 11:1 student-to-faculty ratio, all classes taught by faculty
- Percentage of first-generation students: 35%
- Percentage of students on Lacey campus with military affiliation: 15%
- Number of faiths represented on campus: 21
- Over \$26 million in scholarships and gift aid awarded to students last year
- Saint Martin's has provisional admissions program for students falling under a 2.8 GPA

### **4 Colleges**

College of Arts and Sciences

College of Education and Counseling

School of Business

Hal and Inge Marcus School of Engineering

### **13 NCAA Division II Sports**

**Men's Teams:** Baseball, Basketball, Cross Country, Track & Field, Golf, Soccer

**Women's Teams:** Basketball, Cross Country, Track & Field, Golf, Soccer, Softball, Volleyball

### **Campus Highlights**

Saint Martin's sits on over 380 wooded acres and is just minutes from the state capital, Olympia. Our campus features running trails, a 9-hole disc golf course, state-of-the-art facilities including a Platinum LEED Engineering building and a new nursing facility. All within walking distance of stores, banks, restaurants, and free public transportation.

### **Saints Live with Heart**

Founded in 1895, Saint Martin's University is a Catholic, Benedictine institution that has a diverse, student-centered environment that balances faith, reason, service, and community. We endeavor to unite academic excellence with social responsibility, providing the kind of education that transforms lives and promotes fulfillment of the common good.

### **The Saint's Promise**

If you do not secure employment or graduate school within six months of Commencement, Saint Martin's will guarantee a three-month paid internship or tuition-free enrollment to a Saint Martin's graduate program for one semester.

### **Benedictine Scholars Program**

The Benedictine Scholars Program cultivates exceptional undergraduate student leaders who embody

the Benedictine values to inspire and transform Saint Martin's University through study of the Rule amidst intentional community, exploration of faith, service and academic success.

Each year ten incoming students whose academic records are matched by their leadership experiences and a commitment to compassion and social justice are chosen to receive a \$10,000 renewable scholarship (\$40,000 over four years, stackable with merit scholarship).

### **Direct Admissions Partnership**

We partner with school districts to offer direct admission to their seniors. For more information on how to partner with us, email Patty Lemon at [plemon@stmartin.edu](mailto:plemon@stmartin.edu) and visit <https://www.stmartin.edu/admissions-financial-aid/undergraduate/guaranteed-admissions-partnership>

## **Additional Information**

---

### **Virtual Tour**

Can't come to campus in person? Experience Seattle University virtually.

### **Scholarships and Affordability**

All applicants are considered for merit scholarships, which typically range from \$14,000 - \$33,000/year. In 23-24, 100% of first-year students received financial aid, and the average financial aid award was \$44,573. Over half of SU students come from households earning less than \$120,000 per year.

### **Seattle University Bound Program**

Students enrolled in the Washington State College Bound Scholarship program may be eligible financial aid to cover their full, demonstrated financial need for four years.

### **Residential Campus in the City**

8 residence halls on campus house more than 2,200 students. First and second-year students are required to live on campus, unless living with family off campus.

### **Outcomes**

97% of Seattle University graduates are employed, pursuing graduate school, volunteer or military service 6 months after graduation (NACE First Destination Survey). The Career Engagement Office offers career exploration support and coaching.

### **Student Life and Clubs**

More than 120 student clubs offer students the opportunity to have fun and build leadership skills, including: Red Zone (school spirit), Student Government, KSXU 102.1 FM Radio Station, Esports and Gaming, D1 Improv, and more

### **Campus Visits**

We would love to welcome you to campus in the heart of Seattle! Take a tour with a current student and learn more about the Redhawk experience:

## Additional Information

---

### Vision:

To prepare students of competence and character who will engage the culture and change the world.

### Scholarships and Financial Aid

Merit scholarships range from \$5,000 to \$21,000 annually. In-state matching up to \$27,000, Faith for the Future up to 50% tuition. Other scholarships found at: [spu.edu/scholarship](http://spu.edu/scholarship)  
In 2023-24, 97% of all undergraduate students received financial aid. The average total financial aid package was \$43,649.

### Falcon Bound Commitment

SPU offers a 4-year full-tuition commitment to any incoming freshman eligible for the College Bound Scholarship Program and has an unweighted GPA of 3.0 or higher, **or** an SAT 1220/ACT 25.

### The Seattle Advantage

- 15-minute bus ride from downtown Seattle
- 89% job placement rate **or** graduate school enrollment within 1 year of graduation (Class of 2022)
- Mentorship Program: 1,700 professional mentors from organizations including Microsoft, Seattle Seahawks, Fred Hutchinson Cancer Research Center, Starbucks, Nordstrom, Boeing, Washington State Legislature, and more
- 10 Fortune 500 companies located in Seattle
- SPU is driving distance from Mount Rainier, North Cascades, and Olympic National Parks

### Rigorous Academics

- For the 8<sup>th</sup> year in a row, SPU is nationally ranked by *US News & World Report*
- University Scholars: SPU's honors program now available as an additional Major or Minor
- 5 Fulbright Scholars in the past 3 years
- 300+ Study Abroad options
- 90% medical school acceptance rate
- All classes taught by professors

### Student Life and Christian Commitment

- 7 ministries on campus and 3 weekly worship services
- 58 different Christian denominations represented in staff and faculty
- John Perkins Center for Reconciliation, Leadership and Community Development
- 54% of Students are Underrepresented Minorities
- 45+ Student clubs

### Updates

- For Fall 2025 we are a test-optional admission school
- NCAA Women's Golf begins this fall

### Notable Academic Programs

- Business Administration: AACSB Accredited
- Nursing
- Pre-Medicine
- Psychology
- Engineering: ABET Accredited
- Computer Science
- Food and Nutritional Science
- Elementary and Secondary Education
- Apparel Design and Apparel Merchandising
- Exercise Science
- International Sustainable Development Studies
- Social Justice and Cultural Studies Major
- Mechanical Engineering Major

### Transfer Credits:

SPU accepts college credits earned through Running Start, College in the High School, AP, and IB. All students receiving the credit from these programs must apply as first-year students.

### Housing

- 4 residence halls and 15 campus apartments
- 75.4% of freshmen live in residence halls
- First and second-year students are required to live on campus unless commuting from a parent or guardian's home within a 10-mile radius

### Sports & Recreation

- NCAA Division II (Great Northwest Athletic Conference/GNAC)
- 216 All Americans and 32 national champions
- Men's: Basketball, Cross Country, Soccer, Track & Field
- Women's: Basketball, Cross Country, Soccer, Track & Field, Rowing, Volleyball, and Golf
- 15+ Intramural sports offerings

## **Additional Information**

---

### **Campus Tours**

Available Monday – Friday at 10:00am & 3:00pm

[Evergreen.edu/visit](http://Evergreen.edu/visit)

### **Scholarships**

Evergreen offers merit-based awards at time of application. These funds are in addition to state and federal aid and go directly against tuition.

3.5-4.0: \$1,200

3.0-3.49: \$900

Students can also apply for other scholarships at [evergreen.edu/scholarships](http://evergreen.edu/scholarships)

### **Common App**

Students can apply to The Evergreen State College via the Common Application.

[Commonapp.org](http://Commonapp.org)

### **Member of Colleges That Change Lives**

An organization dedicated to the advancement and support of a student-centered college search process. We support the goal of every student finding a college that develops a lifelong love of learning and provides the foundation for a successful and fulfilling life beyond college.

[Ctcl.org](http://Ctcl.org)

### **3 things that set Evergreen apart**

#### 1. Interdisciplinary Education

Every class a student takes will encompass multiple subjects to help students make connections and the world as it is.

#### 2. 16-Credit Programs

Instead of taking 5 different classes during the quarter students take 1 class (called a program). This class has multiple teachers and is worth 16 credits.

#### 3. Narrative Evaluations

Instead of letter grades students receive narrative evaluations that describe the work they accomplished.

### **Fields of Study**

African American Studies  
Agriculture  
American Studies  
Archeology

**FAFSA priority filing deadline:** January 15

**School code:** 003797

## **Additional Information**

---

### **First-Year Application Requirements**

- Common Application
- School Report and official high school transcript
- Counselor Evaluation
- Teacher Evaluation
- SAT/ACT score (optional)
- Interview (optional)

### **Scholarships**

All applicants are considered for academic merit scholarships ranging up to \$33,000 per year. Talent Scholarships are available in Music, Theater, Art, and Debate. Puget Sound offers two scholarships that cover the full cost of tuition, room, and board: The Lillis Foundation Scholarship and the Matelich Scholarship. More information is available at [pugetsound.edu/scholarships](http://pugetsound.edu/scholarships)

### **Running Start**

Puget Sound accepts the Washington State Direct Transfer Agreement, and awards college credit earned while in dual credit programs such as Running Starts and College in the High School. Applicants should apply as first-year students, not as transfers.

### **AP/IB Exam credits**

Puget Sound generally accepts a score of 4 or higher on AP exams and 5 or higher on IB exams. A maximum of 16 units (2 years) of credit can be awarded.

### **Visits and Events**

We offer a number of in-person and virtual options for connection with Puget Sound, including tours, information sessions, on-on-one appointments, and other events. You can learn more or register at [pugetsound.edu/visit](http://pugetsound.edu/visit)

### **Colleges That Change Lives**

Puget Sound is included in the college guidebook *Colleges That Change Lives*. More information is available at [ctcl.org](http://ctcl.org)

### **Housing and Student Life**

All incoming first-year students are required to live on campus for the first two years. Nearly 75% of students live on campus. Puget Sound has over 100 student-led clubs and organizations, including Puget Sound Outdoors, Repertory Dance Group, and KUPS Radio.

### **Notable Areas of Study**

- African American Studies
- Asian Languages and Cultures (Chinese, East Asian Languages, Japanese)
- Asian Studies
- Bioethics
- Biology
- Business (Business Leadership, International Business)
- Chemistry
- Computer Science
- Education Studies
- Engineering, Dual-degree
- English
- Environmental Studies & Sciences
- Exercise Science
- Gender & Queer Studies
- Health Professions (pre-med, pre-dental, pre-vet)
- International Political Economy
- Music (Education, Performance)
- Neuroscience
- Physics
- Politics & Government
- Pre-law
- Psychology

### **Logger Athletics**

Puget Sound is a member of the Northwest Conference in the NCAA Division III

*Men's Sports:* Baseball, Basketball, Cheerleading, Crew, Cross Country, Football, Golf, Soccer, Swimming, Tennis, Track & Field

*Women's Sports:* Basketball, Cheerleading, Crew, Cross Country, Golf, Lacrosse, Soccer, Softball, Swimming, Tennis, Track & Field, Volleyball

### **Success at Puget Sound**

- 11:1 student-to-faculty ratio
- Over 90% acceptance rate to Medical and Law School over last 4 years
- Top producer of Fullbright Scholars and Peace Corps volunteers among small colleges nationwide.

**Location:** Seattle, WA

**Type:** Public, Urban, Research 1, Division 1

**Majors:** 180+ **Faculty:** 4,000+

**Class size average:** For fall 2023, 91% of classes had 100 or fewer students

**Retention:** 93% of freshmen return for their sophomore year

**Graduation:** 6-year graduation rate 85% (4 years average time to graduation)

**Diversity, Equity, & Inclusion:** At the University of Washington, diversity is integral to excellence. We value and honor diverse experiences and perspectives, strive to create welcoming and respectful learning environments, and promote access, opportunity and justice for all. [uw.edu/diversity](http://uw.edu/diversity)

### Scholarships

---

#### Husky Promise

The Husky Promise guarantees full tuition and standard fees will be covered by grant or scholarship support for eligible Washington state students.

[uw.edu/huskypromise](https://uw.edu/huskypromise)

#### Scholarships

Washington residents are automatically considered for the Presidential Scholarship, which recognizes students who demonstrate exceptional leadership, community engagement and promise. The \$10,000 per year award is applied to tuition for up to four years.

[admit.uw.edu/costs/scholarships](https://admit.uw.edu/costs/scholarships)

### Campus Visits and Tours

---

#### Campus visits

The Office of Admissions offers campus tours and information sessions for students and families Monday–Friday. A visit includes a campus tour led by a UW student, followed by an admissions presentation from one of our counselors.

[admit.uw.edu/visit/campus-tours](https://admit.uw.edu/visit/campus-tours)

Interested in bringing a group of your students to the UW? School group tours are also available.

[admit.uw.edu/visit/group-tours](https://admit.uw.edu/visit/group-tours)

#### Take a virtual tour

**FAFSA priority filing deadline:** January 15

**School code:** 003798

UW Bothell is proud to offer the Husky Promise, a guarantee that full tuition and standard fees will be covered for eligible Washington state residents. FAFSA/WASFA must be filed by January 15, 2024 to qualify.

## **Additional Information**

---

### **Access and Opportunity**

- In Autumn 2023, 38% of incoming first-year students and 42% of new incoming transfers would be first in their immediate families to earn a four-year degree.
- 28% of incoming first-year students and 33% of new incoming transfers are eligible for federal Pell Grants.
- More than 350 students at UW Bothell are eligible for veterans benefits.

### **Return on Investment**

- In 2022-23, 70% of undergraduate students and 66% of graduate students graduated debt-free.
- The wages of UW Bothell alumni with bachelor degrees are consistently the 2<sup>nd</sup> highest in the state among all graduates with comparable degrees from public, 4-year institutions. Source: Educational Resource & Data Center (2023)
- SmartAsset, a New York-based financial technology company, ranked UW Bothell No. 2 on its list of Best Value Colleges in the state of Washington. Source: SmartAsset (2023)

### **Community Engagement**

- Each year, UW Bothell students work with more than 400 community partners - businesses, nonprofit organizations, and government agencies – on projects that drive their education and career preparedness, all the while supporting partner goals.

### **Environmental Sustainability**

- UW Bothell receives 100 percent renewable energy from local projects in Washington State.
- The campus houses a 58-acre wetland that is a sustainable, functioning floodplain ecosystem within an urbanizing watershed.
- The campus uses no pesticides and is home to a host of native pollinators, salmon, and other wildlife.

### **Campus Visits and Events**

Campus visits and in-person events are currently available. Virtual information sessions and appointments are also available. For more information: [www.uwb.edu/admissions/visit](http://www.uwb.edu/admissions/visit)

### **New On-Campus Housing and Dining**

UW Bothell completed construction on new housing for 1000 students, which includes single, double, or quad-style residence hall and apartment units, and a new dining facility. Facilities are open for Autumn 2024. Learn more: [www.uwb.edu/campus-living](http://www.uwb.edu/campus-living)

### **Running Start/College in the HS/AP and IB Credit and Evaluation:**

UW Bothell accepts college credits earned through Running Start and College in the High School. **All applicants participating in these programs must apply as first-year students** regardless of the number of college credits earned. Students interested in Running Start should review the Transfer Planning Worksheets ([www.uwb.edu/admissions/apply/transfer/transfer-planning-worksheets](http://www.uwb.edu/admissions/apply/transfer/transfer-planning-worksheets)) for their intended major when selecting courses through their Running Start program. Contact Admissions for more information.

### **Walla Walla University Facts**

Founded: 1892

Colors: Orange and Green

Mascot: Wolves

President: Alex Bryan

Locations:

Main Campus – College Place, WA

School of Nursing – Portland, OR

Marine Biology Station – Anacortes, WA

Masters in Social Work Extension Campus – Billings, MT

Over 100 Areas of Study

Male/Female Ratio: 49%/51%

Ethnic Diversity: 49%

### **Core Themes**

Walla Walla University is a community of faith and discovery committed to:

- Excellence in Thought
- Generosity in Service
- Beauty in Expression
- Faith in God

### **Philosophy**

Walla Walla University is founded on Christian teachings and values as understood and appreciated by the Seventh-Day Adventist Church. Central to those teachings is the belief that every person is created in the image of God as a being of inestimable value and worth, imbued with powers of intelligence, stewardship, and creativity akin to those of the Creator.

Walla Walla University, therefore, seeks in its mission to foster the unique gifts of every individual within this Christian community of faith and discovery. Committed to excellence in thought, the university seeks to impart a broad knowledge of the arts, sciences, and professions by careful instruction and open inquiry at both the undergraduate and graduate levels. Recognizing that God is the source of all truth, goodness, and beauty, the university seeks to convey student's wisdom that translates academic achievement into responsible citizenship, generous service, a deep respect for the beauty in God's creation, and the promise of re-creation through Jesus Christ.

### **Academic Programs**

Scholarship application deadline: January 31, 2025

## Additional Information

---

### **First-Year Admission**

First-year admission is based on academic credentials including grade trends, completion of College Academic Distribution Requirements (CADRs) and course rigor.

\*Washington State University no longer uses SAT/ACT scores as a factor for admission. The Office of Admissions will contact students if more information is needed. WSU welcomes homeschooled students. See [admission.wsu.edu](https://admission.wsu.edu).

For information about international student admission, visit [ip.wsu.edu](https://ip.wsu.edu).

### **Common App**

Applications submitted through the Common App will be accepted for first-year and international students.

### **Running Start/College in the HS**

Students who participate in Running Start, College-in-the-High School, or other dual credit programs and apply to attend WSU right after high school are considered first-year students for admission purposes, regardless of total college credits earned. Official college transcripts must be submitted for college credit to be transferred.

### **Transfer Admission and Deadlines**

Priority date for fall: August 7

Priority date for spring: November 15.

Apply at [futurecoug.wsu.edu/apply](https://futurecoug.wsu.edu/apply).

Transfer students are those who have enrolled in a regionally accredited college or university after the summer following their high school graduation. Transfer students who have completed at least 27 semester (40 quarter) credits of transferable academic college course work will be considered for admission based on their college work. Students who have completed fewer credits at the time of application may be considered first-year students for admission purposes. See [admission.wsu.edu/transfer-pullman](https://admission.wsu.edu/transfer-pullman).

### **AP, Cambridge (AICE), IB and CLEP**

WSU grants credit for AP, Cambridge (AICE), IB and CLEP examinations. See [go.wsu.edu/advancedcredit](https://go.wsu.edu/advancedcredit).

### **Majors**

See a full list of academic programs at [academics.wsu.edu](https://academics.wsu.edu).

### **Find your WSU Pullman admission counselor**

Each prospective student and high school counselor has a personal admission counselor who can help answer questions and assist through the application, financial aid, and enrollment processes. Visit [rep.wsu.edu](https://rep.wsu.edu).

### **Multicultural Student Services**

MSS facilitates the best undergraduate experience for multicultural, first generation, and underrepresented students through culturally relevant support services. Visit [communities.wsu.edu](https://communities.wsu.edu).

### **Campus Visits**

Schedule a campus visit, guided or self-guided tour, or attend an event. Virtual offerings and live and on-demand presentations are also available. Explore options at [visit.wsu.edu](https://visit.wsu.edu).

### **Housing**

First-year students under 20 years old are required to live on campus for their first year (with some exceptions) in one of WSU Pullman's 17 on-campus residence halls. Visit [housing.wsu.edu](https://housing.wsu.edu).

### **Access Center**

The Access Center serves students with temporary, chronic or permanent physical, health, learning, sensory, or psychological disabilities by providing accommodations, auxiliary aids, and services that remove barriers to their education. Visit [accesscenter.wsu.edu](https://accesscenter.wsu.edu).

### **Pre-Health Studies**

WSU offers a comprehensive pre-health program for undergraduates interested in pursuing medical school and other professional degrees. Visit [healthprofessions.wsu.edu](https://healthprofessions.wsu.edu).

### **TRIO Student Success Programs**

The U.S. Department of Education's TRIO Program is a federal outreach and student services program designed to identify and provide services for individuals from disadvantaged backgrounds. Our TRIO Student Success Programs target to serve and assist low-income individuals, first-generation college students and individuals with disabilities to progress toward degree attainment. TRIO Student Success Programs also houses a STEM and Health Sciences grant that provides a range of services to support students on their academic journey.

## **Additional Information**

---

### **First-Year Student Admission**

Holistic review of application materials including academic credentials, completion of the CADR, grade trends, and other information the student may provide other documentation.

Washington State University does not require SAT or ACT scores for applicants. This applies to all campuses in the WSU system. Accordingly, SAT/ACT scores will not be used as a factor in admission decisions.

### **Running Start/College in the HS**

Students who participate in Running Start, College-in-the-High School, or other dual-credit programs, and apply for admission directly out of high school are considered first-year students in the admission process regardless of how many college credits they may have earned. They should also send official college transcripts if available.

### **Homeschooled Students**

WSU Tri-Cities welcomes homeschooled students. See [tricities.wsu.edu/admission](http://tricities.wsu.edu/admission) for requirements.

### **Transfer Admission and Deadlines**

Application opens early August; students should apply early if possible. Priority date July 15 for fall entry. Apply at [tricities.wsu.edu/admissions/apply](http://tricities.wsu.edu/admissions/apply).

Transfer students are those who have enrolled in a regionally accredited college or university after the summer following their high school graduation. Transfer students who have completed a full year of transferable academic college coursework will be considered for admission based on their college work. Students who have not completed a full year of transferable academic college coursework at the time they apply may be asked for additional information for review.

Transfer applicants who have successfully completed a Direct Transfer Agreement (DTA) associate degree from a regionally accredited post-secondary institution in Washington at the time of application will be admitted as space allows. See [tricities.wsu.edu/admissions/transfer-requirements](http://tricities.wsu.edu/admissions/transfer-requirements).

### **AP, Cambridge (AICE), IB and CLEP**

WSU grants credit for AP, Cambridge (AICE), IB and CLEP examinations. See [tricities.wsu.edu/admissions/freshman-requirements](http://tricities.wsu.edu/admissions/freshman-requirements).

## **Additional Information**

---

As a small residential liberal arts college in Walla Walla, Washington, Whitman is rooted in values like critical thought and academic rigor. At our foundation is also a belief in the value of community and power of relationships. Our graduates are scholars but also explorers, advocates and scientists. They climb mountains, travel to far-off corners and give voice to others. They care about community and aim to become citizens of the world.

### **Financial Aid**

- Whitman's Early Financial Aid Guarantee makes the financial aid process easier and less confusing. Before even applying to Whitman, high school seniors can find out how much money in scholarships and financial aid they'll be awarded if they are admitted.
- Whitman meets the full demonstrated financial need of students from Washington state.
- Over 90% of Whitman students receive financial aid.

### **Merit & Talent Scholarships**

- All applicants are automatically considered for several merit-based academic scholarships.
- Whitman also offers scholarships for demonstrated excellence in music, theater and dance, art, and debate.

### **Residence Life**

- Whitman students build strong community by living in on-campus housing for their first two years. There are four residence halls for first-year students.
- A campus village consisting of three apartment-style buildings for juniors and seniors is under construction and expected to open in Fall 2025.

### **Academics**

- Whitman offers more than 60 majors in addition to a wide variety of minors and concentrations.
- Recent curriculum additions include Human-Centered Design, Finance, Neuroscience and Data Science.
- Nearly half of Whitman students study abroad in over 80 programs in nearly 40 different countries.
- Our average class size is 17 and we have a 9-to-1 student-faculty ratio.
- Students have many opportunities to participate in student-faculty research and present at professional conferences.

### **Career Preparation**

- Every student is matched with a career coach who works with them all four years to provide personalized guidance and resources that support students in considering their professional pathways.
- The Whitman Internship Grant provides funding to students for unpaid internship opportunities at nonprofit organizations, some for-profit organizations, and government offices.

### **Outdoor Program**

- Through for-credit courses and extracurricular programs, Whitman's Outdoor Program provides opportunities for outdoor beginners to avid adventurers.
- The Bob Carson Outdoor Fund allows every student to participate in at least one free Outdoor Program trip every year they are at Whitman.

### **Athletics**

- Whitman College fields 17 varsity athletics programs for men and women. Our NCAA Division III sports compete in the Northwest Conference (NWC).
- In 2023–24, 7 varsity student-athletes earned conference Player of the Year awards and 5 teams were season and/or conference champions.
- There are 7 club sports teams as well as intramural sports that are open to all.

**Location:** Spokane, WA

**Type:** Private, Christian, Liberal Arts

**Majors:** 100+ Majors and Programs **Faculty:** 161

**Class size average:** 88% fewer than 30 students

**Retention:** 80%

**Graduation:** 68% in six years

**Diversity, Equity, & Inclusion:** As a leading Christian institution of higher learning, Whitworth University seeks to educate and prepare students to "honor God, follow Christ, and serve humanity." In accord with this core mission, we seek to model Christ's love across racial, ethnic, gender, socio-economic, religious and other expressions of human difference. Whitworth recognizes that a diverse community is central to our mission as a liberal arts university committed to educating critical thinkers, discerning moral agents, and responsible democratic citizens. Therefore, Whitworth is committed to delivering a mission-driven educational program that cultivates in students, faculty, staff, and trustees the capacity to work effectively across the myriad dimensions of the global family. Our goal is to achieve and sustain a level of inclusive excellence throughout the life of the university that emphasizes the deep truth, love and grace of the Gospel. **School code:** 003804

## Additional Information

---

### Academic Programs

We offer 100+ majors and programs, here are our most popular majors. [whitworth.edu/majors](http://whitworth.edu/majors)

- Health Science
- School of Business
- School of Education
- Math/Computer Science
- Biology
- Psychology

### Mission

Since 1890, Whitworth has held true to its founding mission to provide our diverse student body an education of mind and heart, equipping graduates to honor God, follow Christ and serve humanity.

### Academic Distinction

- U.S. News ranked Whitworth No. 3 in value, No. 1 in undergraduate teaching and seventh best among regional universities in the West.
- 10-to-1 student-faculty ratio.
- Niche named Whitworth University No. 1 Best Christian Colleges in Washington for 2024.
- 4-1-4 academic calendar allows for our faculty to lead dozens of semester-long and Jan-term study abroad/away programs in 60+ countries around the world.

### Affordability & Value

- 100 percent of incoming students receive financial aid.
- Guaranteed University Scholarships of \$18,000-\$30,000 awarded at the point of admission.

- **Whitworth Bound Promise:** Admitted College Bound eligible first-years with 3.0 cumulative, weighted high school GPA or greater (or college transfer students with a 3.0 cumulative college GPA or greater) will have **100 percent of tuition covered** by scholarships/grants. [whitworth.edu/college-bound](http://whitworth.edu/college-bound)
- \$1,000 Visit Scholarship awarded to incoming fall 2025 students who fully participate in a qualifying 2024-25 admissions visit program. [whitworth.edu/visit](http://whitworth.edu/visit)
- 4-Year Graduation Guarantee Program [whitworth.edu/finish-in-four](http://whitworth.edu/finish-in-four)

### Championship Athletics

Whitworth's student-athletes perform at a high level both in the classroom AND at their sport. Competing in 21 varsity sports in the NCAA Division III, Whitworth has won the trophy for the best overall athletic program in the Northwest Conference an impressive 14 times. ## TRANSFER Student Admissions Information

### Fall 2023 Data

Transfer Admissions	Applied	Admitted	Enrolled	GPA (Admitted) Middle 50%
Transfer	117	69	28	n/a

#### Primary Contact

Bastyr University  
Kirkland, WA  
[admissions@bastyr.edu](mailto:admissions@bastyr.edu)  
bastyr.edu 425.602.3332

#### Admissions and Transfer websites

<https://bastyr.edu/admissions/transfer-students>

<https://bastyr.smartcatalogiq.com/en/2023-2024/academic-catalog/>

#### Transfer Admission Deadlines and Fees

Application fee: \$75

Application fee waiver: BASTYR24

#### Minimum Requirements

All students entering undergraduate degree programs at Bastyr University are considered transfer students. To be admitted to an undergraduate degree program at Bastyr University, students must meet the following criteria:

1. Complete 90 quarter (60 semester) credits from a regionally accredited college or university or its equivalent (only courses with a grade of C or higher are transferrable)\*
2. Achieve a Cumulative GPA of 2.5 and Prerequisite GPA of 2.0
3. Complete the General Education and Program Prerequisite requirements

Undergraduate transfer students who complete one of the following transfer degrees will satisfy the General Education requirements:

- Associate of Arts (AA)
- Associate of Science (AS)
- Direct Transfer Associate (DTA) [WA state]
- Intersegmental General Education Transfer Curriculum (IGETC) [CA state]
- California State University Breadth [CA state]
- Associate Degree for Transfer [CA state]  
Note: Technical degrees, such as Applied Science degrees, will not automatically satisfy the General Education requirements. They will be reviewed on a course-by-course basis.
- Students may transfer a maximum of 135 quarter credits or 90 semester credits toward an undergraduate degree at the University.
- Take the next step in your education journey, connect with an admissions advisor and have your unofficial transcripts evaluated today.

#### Financial Aid and Scholarships

You may fulfill your general education course requirements to begin your degree program of choice at Bastyr University with fast, affordable and transferable online college courses from StraighterLine. Bastyr's partnership with Straighterline offers new Bastyr students a \$250 per-quarter tuition discount if they transfer with four or more StraighterLine courses. Bastyr will also waive the application fee for students who qualify for this partner scholarship. Visit StraighterLine <https://www.straighterline.com/colleges/bastyr-university/> for more information about this opportunity.

#### Programs/Majors Offered

<https://bastyr.smartcatalogiq.com/en/2023-2024/academic-catalog/programs-of-study/>

#### Student Life & Housing

<https://bastyr.edu/student-life>

<https://bastyr.edu/student-life/student-organizations>

<https://bastyr.edu/student-life/campus-housing>

- Bastyr University offers housing to students who are currently enrolled. Important information:
- Priority consideration for housing is determined by the date Bastyr receives your [tuition deposit](#).
- A housing deposit of \$400 must accompany each housing application.
- Recycling and composting are priorities in the Student Village.
- No meal plan is offered.

### Transfer Admission Deadlines and Fees

Fall: Rolling Application  
Spring: Rolling Application  
Application fee: FREE  
Application fee waiver: N/A

### Minimum Requirements

Students who have completed the appropriate associate of arts transfer degree from Washington community colleges are admitted with junior standing at Heritage.

Transfer credits are generally accepted from regionally accredited (or candidate) colleges and universities.

### Required Documents, Information, etc.

An official transcript from each college/university attended. A high school transcript is also required of students who have not completed a Washington State AA-DTA (Associate of Arts-Direct Transfer Agreement).

### Major Requirements

Students who have completed the appropriate associate of arts transfer degree from Washington community colleges are admitted with junior standing at Heritage.

### Financial Aid and Scholarships

**Our Financial Aid office works with you find resources to help fund your education.** You'll have access to state and federal financial aid options found at any public university, including grants, work study and student loans. You'll also be eligible for additional private aid only available to Heritage students! With so many financial aid options, your total cost could end up paying less than another 4-year school.

### Transfer Events & Visit Options

Future Eagle Days are scheduled throughout the Spring and Summer for students to get the opportunity to learn more about Heritage University, our Bachelor programs and to talk about their financial aid.

Phone: 253-535-7151

Email: [admission@plu.edu](mailto:admission@plu.edu)

### Admissions and Transfer

PLU has transfer application priority dates for fall and spring semester starts. If a student completes their application prior to one of these dates, they can expect an admission decision, notification of academic scholarship eligibility, and an official report of transferable credits within four weeks.

[www.plu.edu/transfer/apply/](http://www.plu.edu/transfer/apply/)

PLU has a generous credit transfer policy. If a course is similar to one taught at PLU, a student will likely be able to transfer credits. Equivalency guides found here:

[www.plu.edu/transfer/credits/](http://www.plu.edu/transfer/credits/)

PLU accepts transfer degrees from community colleges in Washington (AA-DTA), Oregon (AAOT), and California (AA-T & AS-T). If a student completes one of these degrees, PLU will accept the degree as a block of credits, they will be granted automatic junior standing.

### Transfer Admission Deadlines and Fees

**Fall:** July 1

**Winter:** NA (semester school)

**Spring:** December 1

**Summer:** NA

**Application fee:** FREE!

**Application fee waiver:** You don't need one. It is free for everyone!

### Minimum Requirements

**GPA:** 2.5 minimum

**Minimum number of transfer credits:** No minimum. We do require a high school transcript if less than 30 semester credits have been earned.

**High School CADR:** No

### Required Documents, Information, etc.

- Undergraduate Application (no fee)
- Personal Essay
- Official College Transcripts
- Recommendation (optional)

### Major Requirements

PLU offers direct admission to Business and Computer Science majors without any additional materials.

How to Apply: [admit.uw.edu/apply/transfer/how-to-apply](https://admit.uw.edu/apply/transfer/how-to-apply)

UW Equivalency Guide for Washington CTC's:

[admit.uw.edu/apply/transfer/equivalency-guide](https://admit.uw.edu/apply/transfer/equivalency-guide)

MyPlan: Determine how courses you've taken or plan to take at Washington CTC's translate to progress toward a UW degree. [myplan.uw.edu/home/#](https://myplan.uw.edu/home/#)

### Transfer Admission Deadlines

Quarter of application	Application opens	Application deadline
Winter (Open to U.S. transfer applicants only.)	Aug. 1	Sept. 1
Autumn (Most degree-seeking students apply for autumn quarter.)	Dec. 15	Feb. 15
Spring (Open only to applicants to specific departments in engineering and computer science.)	Nov. 1	Dec. 15
Summer*	Dec. 15	Feb. 15

\*If you wish to apply for summer quarter as a degree-seeking student please consult an [admit.uw.edu/contact/counselors](https://admit.uw.edu/contact/counselors). To apply for summer quarter as a non-degree student, contact [www.summer.uw.edu](https://www.summer.uw.edu)

### Transfer Admission Application Fees

**U.S. Transfer Student:** \$80.00. Fee waivers are available for U.S. applicants (including undocumented students) with confirmed financial hardship.

**International Transfer Student:** \$90.00. Fee waivers are **not** granted to international applicants.

### Minimum Requirements

**Transfer GPA:** 2.50 for consideration but does not guarantee admission.

[admit.uw.edu/apply/transfer/transfer-gpa](https://admit.uw.edu/apply/transfer/transfer-gpa)

### Transfer by the Numbers:

At the UW, you are more than test scores and a GPA, but we know you're curious about the numbers anyway:

[admit.wa.edu/apply/transfer/by-the-numbers](https://admit.wa.edu/apply/transfer/by-the-numbers)

**Minimum number of transfer credits:** Admission to the UW requires completion of coursework in the subjects listed [admit.uw.edu/apply/transfer/cadr](https://admit.uw.edu/apply/transfer/cadr) — whether in high school, college or a combination of the two — unless you have

earned 40 transferrable college quarter credits or more at the time of application.

**High School CADR:** Only transfer students who have fewer than 40 transferable college credits at the time of application are required to meet TR CADR.

### Required Documents, Information, etc.

Please see the following for all transfer application requirements [transfer.uw.edu](https://transfer.uw.edu)

### Major Requirements

Different majors have different admission policies. To understand the details for the intended major, select the major from the [admit.uw.edu/majors](https://admit.uw.edu/majors) page.

### Costs, Financial Aid, and Scholarships

#### Cost of Attendance 2023-2024

Books & course supplies	\$900
Housing & food	\$17,982
Personal/miscellaneous	\$2,508
Transportation	\$519

# Western Washington University

## Transfer Student Admissions Information

Western welcomes transfer students from all types of colleges and universities and provides numerous resources to help students plan for a successful transfer experience. All students should review the catalog details available in Western's Majors page ([www.wvu.edu/majors](http://www.wvu.edu/majors)) to become familiar with major-specific admission requirements and use our Transfer Course Equivalency Guide to determine how previous coursework will transfer. Admission Counselors and Departmental Advisors are also available to help answer student questions. We encourage all students to tour our Bellingham campus or visit one of our location-based programs throughout the Puget Sound and peninsulas.

### Fall 2023 Data

Transfer Admissions	Applied	Admitted	Enrolled	GPA (Admitted) Middle 50%
Transfer	2,045	1,595	901	2.98 – 3.73

### Transfer Resources

**Website:** [admissions.wvu.edu/transfer](http://admissions.wvu.edu/transfer)

**Application:** [apply.wvu.edu/apply](http://apply.wvu.edu/apply)

#### **Transfer Credit Policies:**

[admissions.wvu.edu/apply/transfer-credit-policies](http://admissions.wvu.edu/apply/transfer-credit-policies)

#### **Transfer Course Equivalency Guide:**

[admissions.wvu.edu/tceg](http://admissions.wvu.edu/tceg)

#### **Transfer Application Tips:**

[admissions.wvu.edu/transfer/requirements](http://admissions.wvu.edu/transfer/requirements)

### Transfer Admission Deadlines and Fees

**Fall:** March 1

**Winter:** September 15

**Spring:** January 1

**Summer:** March 1

**Application fee:** \$70

**Application fee waiver:** Request form is available at the end of the online application

### Minimum Requirements

**GPA:** 2.00 cumulative transferable GPA and a 2.00 in the quarters prior to application review and enrollment

**Minimum number of transfer credits:** n/a

**High School CADR:** For students with <40 credits

### Required Documents, Information, etc.

In addition to the application for admission and \$70 application fee, a complete application includes:

**Official College Transcripts:** From every college/university attended, even if students do not expect or desire to transfer credit

**Essay:** To help the Admissions Committee understand academic goals, related experiences and/or preparatory course work, and for consideration for some scholarships. Required if GPA <3.0, optional for others.

**High School Transcript:** Students who have completed fewer than 40 transferable quarter (27 semester)

credits are also required to submit an official high school transcript and meet first-year requirements.

### Major Requirements

Admission to the University is separate from admission to a specific major. Most Western majors have separate application processes, and many have selective admissions requirements such as prerequisite course work, minimum GPA, audition, or portfolio. Students should familiarize themselves with admission requirements and deadlines as soon as possible.

All students should review the catalog details available in Western's to become familiar with major-specific admission requirements, major declaration procedures and department advising contacts. We encourage students to complete as many of the courses for their intended major as possible prior to transferring.  
>>[www.wvu.edu/majors](http://www.wvu.edu/majors)

### Financial Aid and Scholarships

Fall quarter transfer applicants are automatically considered for merit-based, leadership, activity, and diversity scholarships based on their application for admission. We also encourage students to visit our Scholarship Center to browse awards offered by academic departments, organizations, and private donors.
